MAIN POINTS, DEFINITIONS & APPLICATION

SHINE BRIGHT

THE MYSTERY OF BRIGHTNESS

- *The Bible differentiates light and brightness*

Light = illumination, revelation, truth or guidance

Brightness = radiance, intensity of light, shining splendor, brilliance

√ We are all sons of light but we all won't shine the same

Brightness is a choice

Brightness is when light becomes visibly intense, radiant and undeniable.

SHINE BRIGHT: THE MYSTERY OF BRIGHTNESS

MAIN POINTS, DEFINITIONS & APPLICATION

Light reveals. Brightness radiates.

Diamond Vs. Sparkle example 

How do we intensify our brightness?

- Precise & Correct Knowledge of Him

Knowing God leads us to practical brilliance and physical luminance

One of the greatest distinctions of the righteous and the wicked in the end times is WISDOM

**Wisdom is the Principal thing:
Principal: First, beginning, best, chief, choice part**

Wisdom intensifies brightness

- The 10 Virgins (End Times)
- 5 Foolish
- 5 Wise (had the oil to keep lamps burning - ready for the Master)

Special Wisdom:

Wisdom from God is practical brilliance — a **distinctive** mark that points **beyond natural explanation**. It solves what others cannot untangle, exposes hidden intent, creates strategy before crisis, brings excellence before kings, fills life with abundant fruit that endures and cannot be successfully opposed.
