

SELAH SUNDAY

Known By God

QUESTIONS:

1. With regard to how surrendered or yielded we are to being known by God you mentioned that this won't affect our eternal identity, but it will impact our eternal state within that identity. ***Can you explain more about what that means?***
2. ***What if we're known by Him to be untrustworthy?***
3. ***Does the enemy hear us when we're surrendering to Abba?***
