## MAIN POINTS, DEFINITIONS & APPLICATION

- Just like the lioness in her kingdom, Women of the Kingdom of God are to embody power, confidence, beauty, ferocity, courage and MORE!
- The lionesses in a pride, embody by nature the saying, "it takes a village." They hunt together, raise each others young, rest together, eat together, play together etc.
- When "village life" ceased in Israel it prompted Deborah to rise up as a MOTHER to bring back order, peace and unity.

### REMEMBER:

1. Mothers are Divine Unifiers
2. Mothers are Divine Helpers

**POINT TO PONDER:** Ask the Lord for direction and clarity on what He is calling you to arise to as a Kingdom Mother.
