MAIN POINTS, DEFINITIONS & APPLICATION

REVIEW:

- Do not associate your process with your identity
- We *acknowledge* our "becoming," but our thinking and identity are rooted in "I have BECOME!"
- Come out of process and into faith
- When you see it through God's lens you evade process and step into purpose.

3. Set yourself up for success!!

- **ACCEPT AND ACKNOWLEDGE** what needs to be transformed by the renewed mind (the mind of Christ) within.
- **BUILD YOUR BELIEF**: Have daily meditation scriptures that build you up and keep you focused on TRUTH and empowered in your identity in Christ!

HOW TO DISASSOCIATE YOUR IDENTITY WITH YOUR "PROCESS," RE-PLACE IT IN YOUR ONENESS WITH CHRIST, AND FUNCTION WITH HIS MIND!

1. We have to reframe the foundation of our state of BEING!!
 - START WITH "WHY?"
2. **KNOW** that He is already pleased with you!
 - He was already convinced of His love, adoration and delight in you before any performance on your part.

REMEMBER:

- Study and find simple, memorable, biblical truths that you can meditate on (think about and speak over yourself) daily, to keep you encouraged and empowered in the truth about who God says you are!
- Keep your Spiritual Identity at the forefront and function from the truth of your Spirit man (the Holy Spirit) and NOT your soul (mind, will, and emotions)!
