

THE  
DIVINE NATURE

# THE DIVINE NATURE

## SCRIPTURES TO STUDY

- Just Believe: John 6:28-29 NKJV
- The Divine Nature: 2 Peter 1:3-4 NLT
- Human/Sinful Nature: Romans 7:15,18 AMP
- Freed From Sin: Romans 6:6-7 AMP
- Be Transformed: Romans 12:2 NKJV
- Nothing Too Hard: Jeremiah 32:17 AMPC
- Spirit to Flesh?: Galatians 3:3 AMPC
- He Starts/Finishes: Philippians 1:6 NKJV
- Put On Jesus: Romans 13:14 NKJV
- The Word Became Flesh: John 1:14 ESV
- No Fire: Isaiah 43:2 AMPC
- In Him We LIVE: Acts 17:28 KJV
- Mind of Christ: 1 Corinthians 2:16 AMPC
- My/Your Thoughts: Isaiah 55:7-9 KJV
- His Way/The WAY: Psalm 103:7, John 14:6 KJV Acts 9:2 NLT
- You Know All Things: 1 John 2:20 NKJV
- The Perfect Imprint In You: Hebrews 1:3a AMPC
- Just Believe/Receive: John 6:28-29 NKJV
- Fasted Life: Matthew 6:17-18, Galatians 5:16 AMPC
- Nothing Too Hard: Jeremiah 32:17 AMPC

## MAIN POINTS, DEFINITIONS & APPLICATION

### Divine Nature:

The sum of God's innate properties and powers

- Love
- Righteousness
- Power
- Truth
- Peace

### Sinful Nature: (Fallen Nature)

Human nature separate from the Holy Spirit

- Pride
- Lusts
- Greed
- Rebellion
- Unrighteousness

# THE DIVINE NATURE

## MAIN POINTS, DEFINITIONS & APPLICATION

### Sinful Nature Continued:

- Our innate capacities without God
- Our natural tendency to be drawn toward ungodly things
- God didn't teach Eve how to be deceived
- God didn't teach Adam to disobey
- Nobody taught us how to lie or be selfish
- Subconscious or automatic drawing toward sin

### I HAVE HIS DIVINE NATURE

### The Exchange

### Psychological/Emotional:

- Emotions
- Desires
- Motives
- Preferences
- Intuition
  
- Cognitive/Mental:
- Cognitive processes
- Beliefs
- Values
- Morals
- Personality

# THE DIVINE NATURE

## MAIN POINTS, DEFINITIONS & APPLICATION

### Behavioral/Repetitive:

- Behavior
- Habits

**There is an exchange of human/sinful nature for the divine nature**

**This exchange was designed to be a replacement of your first nature**

**First Nature:** Innate behaviors that come naturally, like instincts or reflexes.

**Second Nature:** Actions or skills mastered through practice, becoming automatic and effortless.

- This is Not Adaptation, This is Transformation

**Transformed:** *metamorphoo*

- to change into another form, to transform, to transfigure

**One of the greatest signs of walking in the divine nature is ease**

**There's Nothing Too Hard For The LORD...**

**Hard:**

- Nothing too marvelous, surpassing or extraordinary

# THE DIVINE NATURE

## MAIN POINTS, DEFINITIONS & APPLICATION

**The Divine Nature is God walking, not something you walk out...**

**Learning about God doesn't transform you**

- Atheists / Non - Believers / Christians
- Demons know about God
- This innate behavior is not taught to you as if you're a separate entity.
- It was bought for you as a gift to BE YOU

**On**

- to sink into, clothe one's self
- Fully immerse

**God wants to take shape AS you - 🎙 I HAVE HIS DIVINE NATURE**

**🎙 HIS NATURE IS MY FIRST NATURE**

- Not Just Speaking of Sinful / Human Nature but Our Bodies Adaptive Processes

**🎙 THE WORD MUST BECOME FLESH IN MY LIFE**

**Stress Responses:** the mechanisms activated by the body in response to stressors, such as the release of stress hormones like cortisol and adrenaline, increased heart rate, heightened alertness, and redirection of energy to support immediate survival needs

# THE DIVINE NATURE

MAIN POINTS, DEFINITIONS & APPLICATION

**There's nothing about  
Christ that enters into  
survival mode...**

 **GOD DOESN'T FLINCH** 

# THE DIVINE NATURE

## MAIN POINTS, DEFINITIONS & APPLICATION

**Remember Shadrach, Meshach, and Abednego?!**

**Not Just Psychological but Biological Transformation**

**Biological/Innate:**

- Instinct
- Reflexes
- Genetics
- Sensory perceptions (sight, hearing, etc)
- Biological Drives (hunger, sleep, thirst)

**There's a Divine Nervous System In You**

**Nervous System:**

- The nervous system is like the body's messaging system. It sends messages back and forth between your brain and the rest of your body to help you move, feel, and think.

 **WE ARE THE BODY OF CHRIST!!!**

- He didn't offer His body so you could be slave to a sinful one

 **I HAVE A DIVINE NERVOUS SYSTEM**

# THE DIVINE NATURE

## MAIN POINTS, DEFINITIONS & APPLICATION

-  **I HAVE THE MIND OF CHRIST**

**It was never meant for us to try to understand God, we were meant to receive His mind to receive His understanding**

**God wants to remove FEELING as the mark of differentiation between you and Him**

### Keys To Remember

- There's an exchange psychologically and biologically
- Not adaptation or education, this is transformation... (Learning about God is not enough)
- This is a work of God, not the flesh... The Divine Nature is God walking not something you walk out.

**Transformation happens through the submission of Revelation**

### How to walk in The Divine Nature

#### I. Just Believe & Receive

- Radical simplicity
- Ease
- Not earning but maturing into by simply believing -

# THE DIVINE NATURE

## MAIN POINTS, DEFINITIONS & APPLICATION

### II. Fasted Lifestyle

- Because I'm righteous... I fast.
- Abstain from certain things on purpose for righteousness' sake
- Manage your cravings by the Spirit

### Closing:

- One of the greatest signs of walking in the divine nature is ease

### Nothing Too Hard For The LORD

### Hard:

- Nothing too marvelous, surpassing or extraordinary.

**God doesn't try to be God... So  
you shouldn't try either...  
JUST BE**

# DIVINE NATURE: THE SUM OF GOD'S INNATE PROPERTIES AND POWERS

- LOVE
- RIGHTEOUSNESS
- POWER
- TRUTH
- PEACE

# SINFUL NATURE: (FALLEN NATURE)

## HUMAN NATURE SEPARATE FROM THE HOLY SPIRIT

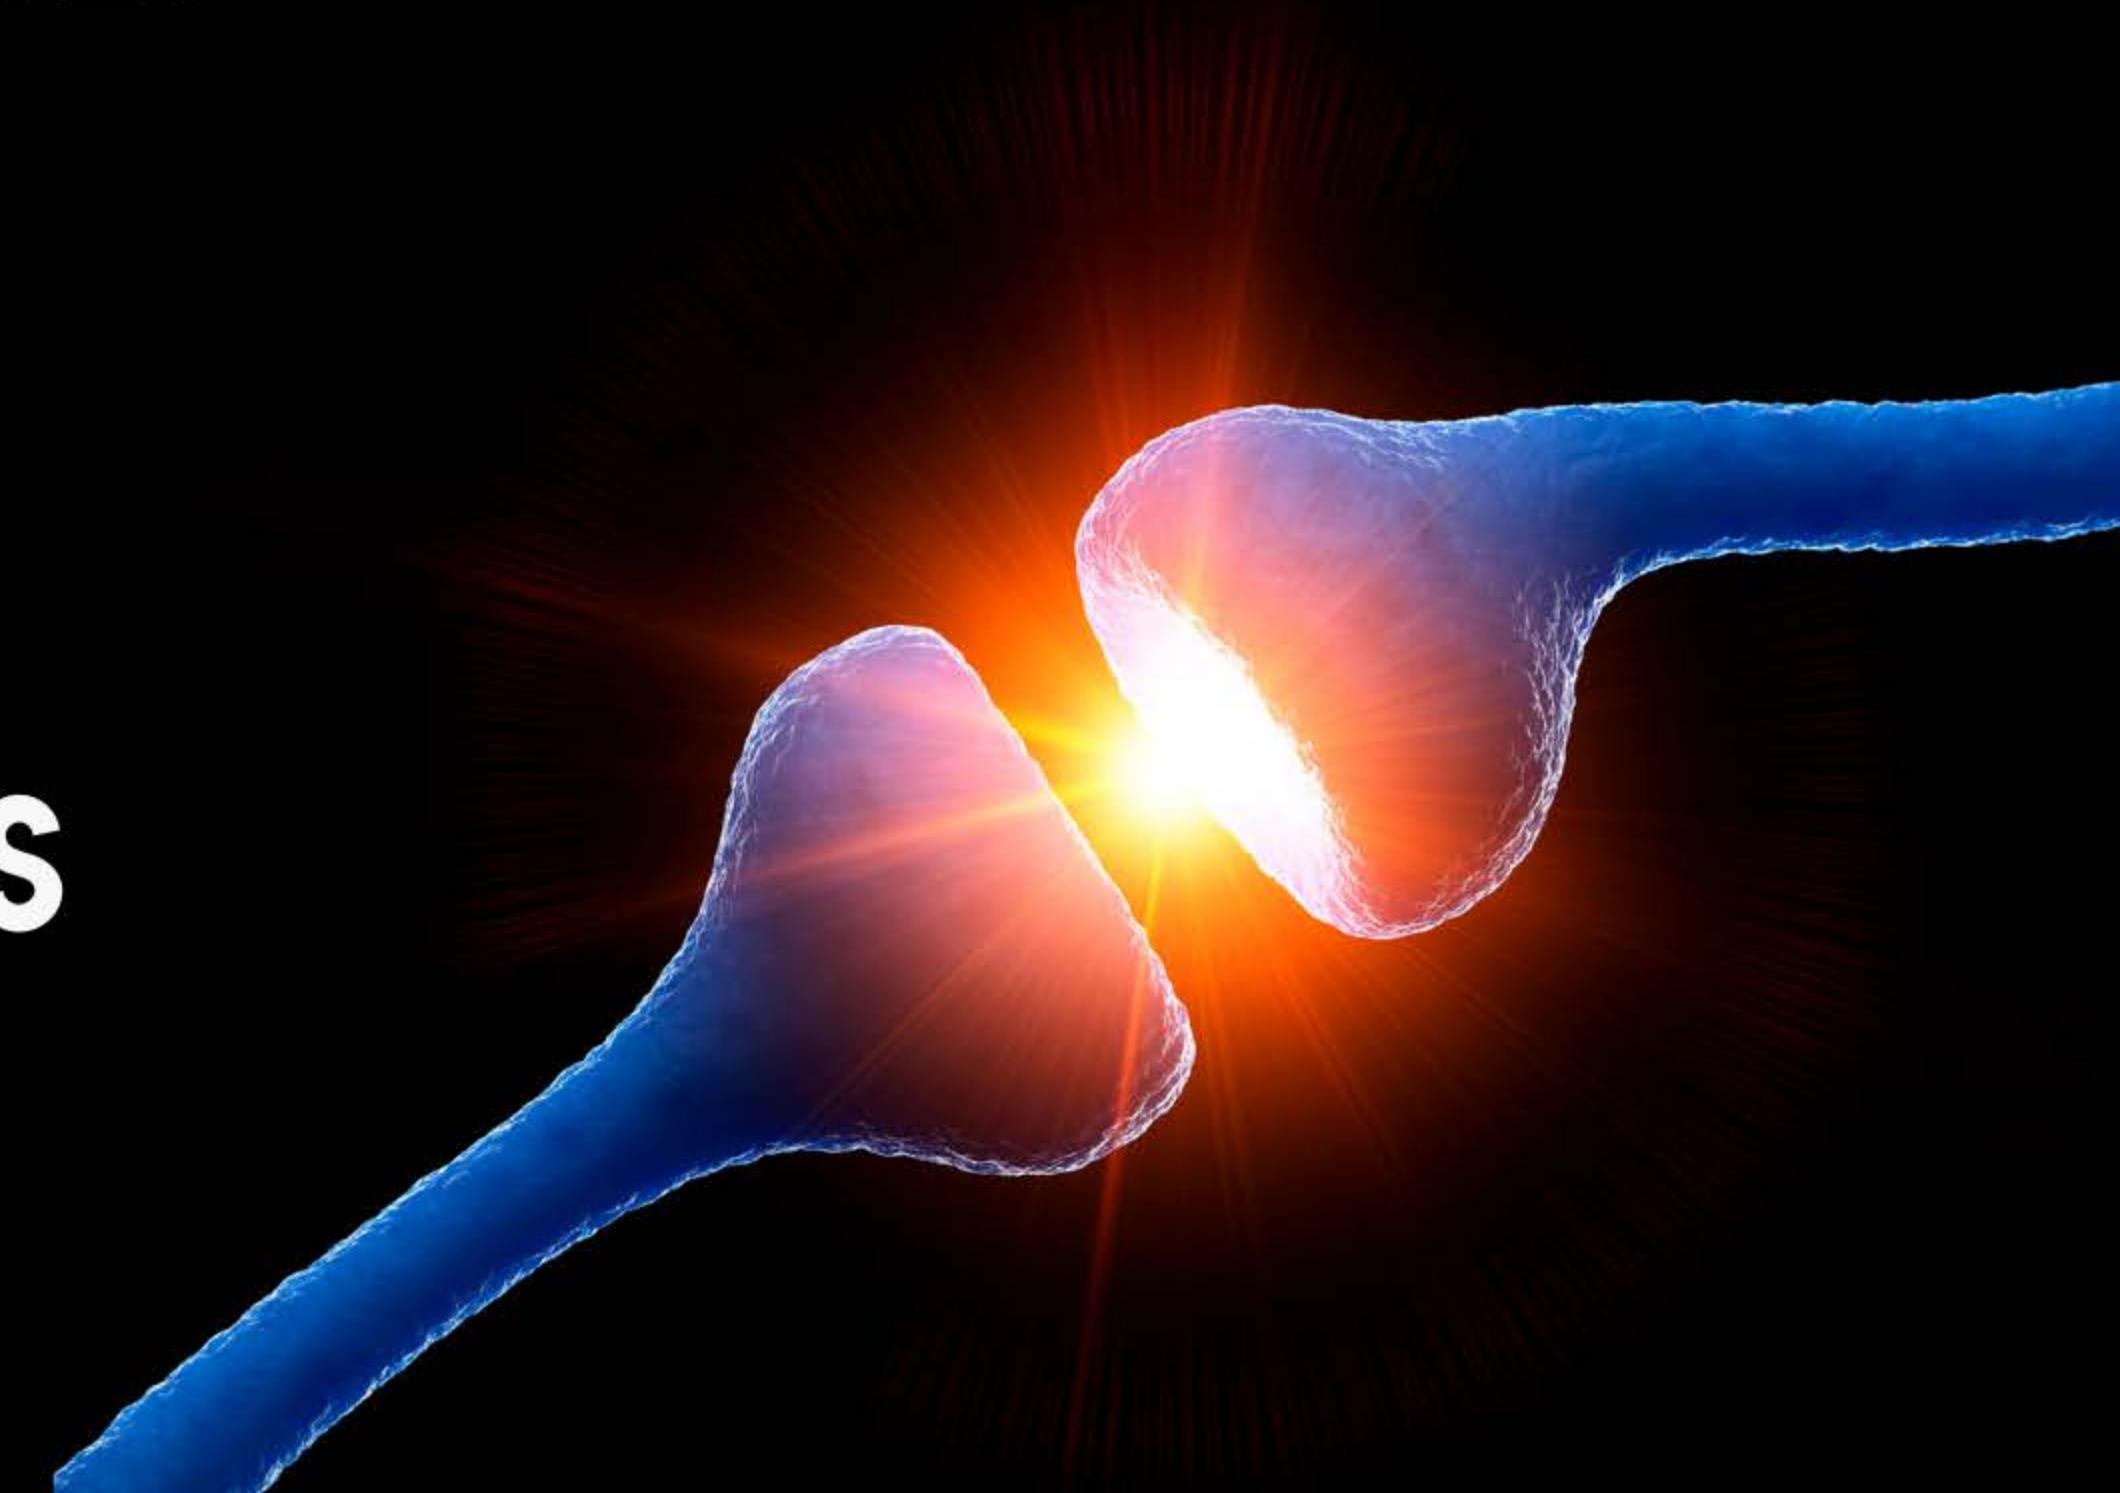

- PRIDE
- LUSTS
- GREED
- REBELLION
- UNRIGHTEOUSNESS

# THE EXCHANGE

## PSYCHOLOGICAL:

- EMOTIONS
- DESIRES
- MOTIVES
- PREFERENCES
- INTUITION

# THE EXCHANGE

## COGNITIVE / MENTAL:

- COGNITIVE PROCESSES
- BELIEFS
- VALUES
- MORALS
- PERSONALITY

# STRESS RESPONSES

THE SYSTEMS ACTIVATED BY THE BODY IN RESPONSE TO STRESSORS, SUCH AS THE RELEASE OF STRESS HORMONES LIKE CORTISOL AND ADRENALINE, INCREASED HEART RATE, HEIGHTENED ALERTNESS, AND REDIRECTION OF ENERGY TO SUPPORT IMMEDIATE SURVIVAL NEEDS.

## THE EXCHANGE II

### BIOLOGICAL/INNATE:

- INSTINCTS
- REFLEXES
- GENETICS
- SENSORY PERCEPTIONS
- BIOLOGICAL DRIVES
