# The Council of The LORD

## Selah Sunday

### MAIN POINTS, DEFINITIONS & APPLICATION

Selah Sunday is where we water the seed of revelation planted in our hearts through the message released at the top of the month.

After the first week of the month, members submit questions and testimonies so our pastors can further explain, clarify, and water the seeds planted to aid in our spiritual growth and understanding.

Be sure to submit your questions and testimonies through the Question and Testimony form on the front page of the app! We love you family!

#### Question 1:

'What do you think God's hope or intention was for us as listeners in hearing this message delivered? That is, what should be our response?

#### Question 2:

I might have missed something. You referred to the 30, the 60 and the 100. What does this mean.

(Matthew 13:18-23 ESV)

#### Question 3:

How should awareness of the Council of God change how I should live my life or view my relationship with God through Jesus?
