

SELAH SUNDAY

Not of This World: The Peculiar Ones

QUESTIONS:

1. *What are some ways to study the Bible, understand scripture more deeply and apply it to everyday life?*
2. *Can you please explain 2 Corinthians 6:17 and how we can faithfully live it out while living in the world?*
3. Pastor Joshua, you said that sometimes our witness is not what we say but who we are - how we work, how we respond, what we laugh at and what we choose not to participate in. ***How do we become so sensitive to the Holy Spirit that even our ordinary actions can become an expression of the Kingdom?***
