MAIN POINTS, DEFINITIONS & APPLICATION

1. Most first impressions are based off of appearance (something superficial). But the lasting impression is based off of experience.
2. The lasting impression should always leave a revelation of Jesus Christ the Messiah!
 - It's an encounter that leads to enlightenment. It illuminates who Jesus is and who we are in Him.
3. The Christ impression isn't about the other persons receptivity; its about your representation.
 - It should be overflow from the Christ impression in YOU.

HOW ARE WE ABLE TO LEAVE A CHRIST IMPRESSION?

- **CHECK OUR MOTIVATION:** Your focus should always be to display Christ over making an impression. One is based on identity, the other is based on works.
