

LORD, I TRUST YOU

LORD, I TRUST YOU...

Selah Sunday

MAIN POINTS, DEFINITIONS & APPLICATION

Selah Sunday is where we water the seed of revelation planted in our hearts through the message released at the top of the month.

After the first week of the month, members submit questions and testimonies so our pastors can further explain, clarify, and water the seeds planted to aid in our spiritual growth and understanding.

Be sure to submit your questions and testimonies through the Question and Testimony form on the front page of the app! We love you family!

Question 1:

Without understanding, how can I move confidently in obedience, if I'm fearing I might not be in God's will?

Question 2:

Without understanding, wouldn't you say you're walking in "blind faith" vs. "sure faith?"

Question 3:

Why do we sometimes have to go through suffering and hardships?

Question 4:

Is salvation one confession or a lifetime of behavior (that is, a humbled, childlike posture) or both?

Question 5:

When does feeling your feelings cross into lack of faith and letting the devil in? Are we supposed to ignore our feelings, forget what was done to us or pretend our traumas never happened?

Question 6:

At what point does forgiving/letting go become a lack of boundaries and being a doormat?

Question 7:

What are some practical ways we can change our “natural” processing in order to completely trust in God and His promises?

REVIEW:

- 1. TRUST IN THE LORD W/ ALL YOUR HEART...NOT YOUR UNDERSTANDING**
- 2. FIGHT THE TRIGGER & CHOOSE TRUST**
- 3. PEACE & UNDERSTANDING ARE NOT SYNONYMOUS**
- 4. RELYING ON UNDERSTANDING CAN HINDER OUR OBEDIENCE**
