## MAIN POINTS, DEFINITIONS & APPLICATION

### REMEMBER:

- Don't put your confidence in "time." Put it in the faith of Jesus! (NOW faith is...)
- Don't process the spiritual w/ a carnal mind. Process spiritual things with the Spirit!
- Fasting helps take the carnal thinking/unbelief into subjection to the Spirit. (This unlocked things for me personally!)
- The shift didn't happen for me until I changed the seat of my perspective from SKEPTIC to SEEKER.
- From "Holy Spirit PROVE it" to "Holy Spirit REVEAL it."
- When you test the spirits: Trust in His love for you & ask Him - "God, it had to get through you to get to me. Show me where you are in this."
