

SELAH SUNDAY

FAITH & The Slave of Christ

QUESTIONS:

1. ***How can we reconcile being a slave to Christ in light of the history of slavery in our country?***
2. You said “obedience isn’t currency.” ***How does that truth help us move away from the mindset that our obedience should earn us a miracle*** or obligate God to respond a certain way?
3. ***What about when we command but creation doesn’t obey?*** When we truly believe with childlike faith and expect God’s results according to His word? What did Jesus do differently than us?
