## MAIN POINTS, DEFINITIONS & APPLICATION

- It's important to bring God into ALL of your decisions and plans. If He is Lord (owner) over your life, He should always have the decision making power.
- Make plans WITH the Lord. Follow His lead. "Lord Willing..."
- How do you respond to obstacles that try to get in the way of your "plan" or "vision?" Panic? Fear? Anxiety? Quit?
- Remember to...
- 1. Find the Reason to Rejoice - (The greatest reason is always Jesus!!)
- 2. Push Yourself, But Don't Pressure Yourself - everything we do is unto the Lord. Remain in a posture of servitude and gratitude! Do not give way to mental stress, anxiety and worry.
- 3. Flip Your Perspective - Change Your Course!
  - Stop seeing obstacles and start seeing opportunities!
