

The Plan of Salvation

There are two Biblical meanings of the word "Salvation."

- (1) To be saved {released} from our former sins.
- (2) To receive everlasting life. This last does not come to pass until the resurrection at the end of the age. Briefly, the plan of Salvation consists of FIVE easy steps:

Faith

- (1) Faith that Yahweh exists, and
- (2) Faith that He rewards those who diligently seek Him (Heb. 11:1,6).

Repentance

Turn away from sin; cease breaking Yahweh's commandments {His law} (1 John 3:4). Feel sorrow {regret} for our sins (Acts 2:38).

Confession

We must publicly confess our faith in Yahshua as the Son of Yahweh (Romans 10:9,10,13, KJV). There is no other name under heaven given among men by which we must be saved; only the name Yahshua (Acts 4:12).

Over, please

Baptism

Be baptized (immersed in water) in the name of Yahshua the Messiah for the removing of sins (Acts 2:38; 8:38; Rom. 6:1-11; 1 Peter 3:21).

Our sins are washed away in the act of baptism (Acts 22:16).

Continue

Continue in the faith by keeping Yahweh's commandments (Mt. 22:36-40; Ex. 20: 1-17; Ex. 31:12-17; 2 Peter 1:5-11; 1 John 5:2,3).

Only those who remain faithful {endure} to the end will be saved; that is, receive everlasting life {immortality} (Rom. 6:23; Rev. 2:7,11,17; 2:26-28; 3:5,12,21).

"He who endures to the end will be saved" (Mt. 24:13; Ezek. 18:24; Rom. 6:23).

Note: If we sincerely do these things, Yahweh Most High will do all the rest.
