TRUTH OVER TREND

PART 3: Deconstruction of the Christian Faith

BASELINE QUESTIONS:

- 1) If you could ask God one question, what would it be?
- 2) Do you feel like you can ask hard or difficult questions at church? Why or why not?
- 3) When you have a question about your faith or the Bible, where do you turn to for answers?

READ TOGETHER:

1) Acts 17:10-12

The Bereans were honored for the willingness to study what they heard and examine if it were true. There's a lot of things online and available to you that aren't biblical and you need to know that.

- What does it look like for you to examine the truthfulness of something you read/watched?
- Is there someone you trust to give you guidance on the credibility of other's teaching?

2) Psalm 13

David experienced hurt and pain just like we all do, but he resolved to trust God even in the midst of it.

- Where in your life do you feel hurt from God?
- What are the ways we can handle disappointment with God?

3) Galatians 5:16-17

Sin is the opposite of what God has planned for you. Unfortunately, we all sometimes choose sin over what God has for us.

- What things do you think are wrong/sinful but your peers see as normal?
- Do you feel like there are things you cannot talk to us (parents) about? If so, do you have someone you trust that you can talk to about it?

1 MORE QUESTION:

- 1) What is something I can study with you to help you make your faith stronger?
