Four Changes in Living because of the Resurrection:

1. The resurrection moves us from D_____ to H_____.

2. The resurrection moves us from F_____ to FREEDOM.

1st: Simon son of John, do you love (*agapao*) me more than these?

Agapao: a love of total commitment or supreme loyalty

2nd: Simon son of John, do you love (*phileo*) me?

Phileo: a friendly love; less depth and commitment than *agapao*

3rd: Simon son of John, do you love (*agape*) me?

3. The resurrection moves us from POINTLESSNESS to P_____. (Matt. 4:19/v.15, 16, 17)

4. The resurrection moves us from F_____ to FAITH. (Acts 2: 12-41)

What did Peter see when he saw Jesus resurrected?

**The ONE who loved him enough to r_____ him
and give him a second chance in following after Him**
