

Point #1 - You Can Have Revelation Without Transformation

(Numbers 22:8–13, 18–20; 24:1–4)

Point #2 - Sometimes Your Journey Gets Interrupted Because Your Desires Got Ahead of God's Directions.

(Numbers 22:21–35)

Point #3 - The Irreversibility of God's Covenant Purpose

Numbers 23:7–12, 16–23

Why Didn't God Produce The Baby Immediately?

- God performed the impossible without eliminating the process. This is key,
- The waiting created space for expectation.
- God wasn't merely producing a baby; He was developing believers.
