Prophet

**Jesus is the new
Moses, revealing
God to us.**

SERIES SUMMARY

In ancient Israel, prophets, priests, and kings were each anointed—set apart to speak for God, minister to God’s people, and lead them in righteousness.

The title Messiah means “Anointed One,” and Jesus uniquely fulfills all three roles. He is the voice of truth in a world of confusion, the mediator who brings us near to God, and the sovereign King who leads us with compassion and power.

In this series leading to Easter, we’ll explore how Jesus embodies these roles—and what that means for those who follow Him.

ICEBREAKER

Who among your family or friends comes closest to being “psychic”?

SCRIPTURE

Read about Moses as a foreshadowing prophet in **Deuteronomy 18:15-22**.

LEARNING FROM HIS STORY

1. What are some of the reasons people then & now might NOT listen to a prophet of God?
2. Prophecy isn't always predictive, so what are other ways to tell if a prophet is actually from God?
3. In your mind, why was it important for the apostles to claim that Jesus was the fulfillment of Deuteronomy 18:15 (see Acts 3:22-23)?

EXAMINING OUR OWN STORY

4. When have you experienced false prophecy? Legitimate prophecy?
5. What voices have the most influence in your life right now?
6. When are you most likely to hear from God?
7. Have you ever felt that the Lord was giving you a message for someone else?

WRITING A NEW STORY

8. If Jesus carries the mantle of the ultimate prophet, what are the implications for our lives?
9. What can we do to place ourselves in position to listen to Jesus more consistently?
10. Why does false prophecy matter, and what steps can you take to protect against it?

TAKING TIME TO PRAY

Father, thank you for revealing yourself to us through Jesus, Your Son. Teach us to listen to him above every other voice. Give us both the ears to hear and the will to respond. Amen.
