CONNECT *with* CREEKSIDE

Newer to Creekside? A great next step is the Connect with Creekside Class on **January 11th, 2026!** We will serve you lunch in our community room, provide childcare, and spend some time helping you understand who we are as a church and how we can better partner with you in God's calling on your life. This is a great way for you to let us know that Creekside is your church home, connect more intentionally with pastors, and make sure you are linked into our communications and ministry opportunities.

SERIES**

**jesus
for...**

Jesus never stood at a distance—He drew near. He welcomed children others pushed away, shared tables with the broken, and crossed borders to bring hope. Throughout the Gospels, we see that Jesus was for people—especially the overlooked. This November at Creekside, we're stepping into that same heart. Each week, we'll highlight how our church family lives out His mission—for the child, the broken, and the nations. We'll celebrate foster families, recovery stories, second-chance ministries, and global partners bringing Christ's hope to the world. Together, we'll discover what it means to live for who He was for—with His love, compassion, and purpose shaping us.

Orphan Sunday

-EMBRACING GOD'S
HEART FOR THE
VULNERABLE

Pastor Andrew Rehbein

***"Religion that is pure and undefiled before
God the Father is this: to visit orphans and widows
in their affliction, and to keep oneself
unstained from the world."
- James 1:27 (ESV)***

On **Sunday, November 9**, we will join with churches across the nation in observing Orphan Sunday—a day dedicated to reflecting God's heart for children and families in need. This year, Creekside will welcome special guests from the **Department of Human Services** and the **1:1 Project**, who will help us better understand the reality of foster care needs right here in our own county.

Together, we'll explore what it means to be a church that not only prays for vulnerable children but also takes meaningful action on their behalf. Our guests will share practical ways individuals and families can support foster parents, advocate for children, and engage in the broader mission of caring for those who need stability, belonging, and love.

This Orphan Sunday, we invite you to open your hearts to the stories and opportunities that will be shared. As followers of Christ—adopted into His family by grace—we are called to reflect that same love by standing with the fatherless, the forgotten, and the hurting. Join us as we listen, learn, and respond to God's invitation to be part of His redeeming work in our community.

Exploring the issues:

Adult Children of Family Dysfunction

Adult children of family dysfunction often create survival skills from childhood, such as isolation, perfectionism, and family peacemaker, which then become habits or hang ups as adults.

How do we find recovery?

Through a relationship with Jesus Christ ad Savior and Higher Power, and working the 8 principles and the Christ-centered 12 steps, we can find freedom from our hurts, habits and hang-ups.

Member "Makeover"

Are you new to Creekside? Have a change of address or a new phone number? Do we have a picture of you on our database? If not, then please plan to stop by the table in the front lobby on either November 9 or 16 so that we can have all your information up to date and ready to be able to help keep you stay informed with important mailing information or emails regarding church events. If you have any questions contact Pastor Lori.

GOD ON MUTE

Engaging the Silence of Unanswered Prayer

Join Pastor Andrew for a 5-week course inspired by Pete Greig's modern classic on unanswered prayer. Have you ever wrestled with a prayer that seemed to go unheard? Are you carrying a burden before God and wondering why He feels silent? Do you know someone whose faith has been shaken because their prayers weren't answered as they hoped? This course will create space to thoughtfully and biblically process the mystery of unanswered prayer, while also discovering practical ways to keep the conversation with God alive—even when His silence feels overwhelming. Sign up at the **TEAL** QR Code!

Join Missy Nicholas for a 5-week course exploring how journaling benefits our emotional, relational, and spiritual health. Whether you're brand-new to journaling or already keep a notebook by your side, this course will give you practical tools and fresh perspective. Come ready to explore how journaling can become a life-giving rhythm in your walk with Christ. Sign up at the **GOLD** QR Code

soul leadership COURSE

The call to live as an apprentice of Jesus is a call to spiritual leadership. Regardless of whether we are formally tasked with leadership roles in the church or in our career, we are all entrusted by God with areas of influence: starting with ourselves, our homes, and our relationships. This 5-week course is for anyone who wants to grow as a leader or make a greater impact in everyday life. Join Pastor Neil as together we pursue confidence, wisdom, and faithfulness in the way we lead. Sign up at the **BLUE** QR Code

LIFE APP: CONFIDENCE

People build their lives on many stories—success, humor, helpfulness—but only one foundation stands firm: the true story of a God who created, loves, and pursues us. Through His promise and the rescue of Jesus, we can live with confidence, trusting God to work all things for good. This month, we'll look at Elijah, Jonah, Daniel, Esther, and Nehemiah—heroes who trusted God through decline, exile, and uncertainty—and discover how faith in His story changes everything.

SCRIPTURE KARATE

Our 1st-5th graders have been having a blast memorizing James 1:1-6. Some have even earned their black belt! We'll continue practicing this verse through the end of the year, with a special Scripture Karate moment on Sunday, November 16th, during the 10:30 service.

LIFE APP:

I CAN THANK GOD FOR EVERYTHING

We want to help our preschoolers see that the whole world is like a gigantic picnic filled with countless things we can thank God for, because we can thank God for EVERYTHING! Imagine if our preschoolers began seeing everything around them as an opportunity to thank God — people, Creation, food, toys, home, help—all of it! They can thank God for everything with their whole heart! And so can we.

Creekside Kids (ages 2yrs thru 5th grade) have a **special opportunity** to SHINE by sharing their gifts during our Christmas performance on Sunday, December, 21st during the 10:30 service. Scan the **YELLOW** QR code to see how your child can participate. Sign up today and save the date!

This month, students will join a two-week series called Overflow, exploring how God's grace fills us to overflowing and transforms us into grateful individuals who strengthen community. It prepares hearts for Thanksgiving, reminding us gratitude is a way of life rooted in responding to God's generosity.

We're excited to celebrate our 5th Annual Friendsgiving Feast! Join us for an evening of food, fun, and community as we come together around the table to give thanks. Bring a friend, bring your appetite, and get ready for one of our favorite traditions — you won't want to miss it!

Right after our Friendsgiving celebration, we're excited to invite all parents with students in grades 8-12 to a parent meeting about the International Youth Convention (IYC). We'll go over travel plans, costs, fundraising ideas, and all the information you need to get ready for this unforgettable adventure. And the best part? The meeting is scheduled before Black Friday, so your only investment is your time!

We hope you have a safe and restful Thanksgiving holiday with your family and friends! There will be no Wednesday night student service on November 26. We'll be back the following week — and we look forward to seeing you then!
