

# ORIGINS

## *Creation 1.0*

**From the first,  
God brought  
order out of  
chaos.**

### ■ SERIES SUMMARY

- The Bible contains some of the oldest stories ever told, condensed over many millennia into pure, concentrated truth. Genesis 1–11 contains some of the richest stories ever told, and they still speak with power and relevance today.
- In these ancient words, we'll find foundational truths revealed through the accounts of creation, the fall, Cain & Abel, the flood, and Babel. Truths about who God is, who we are, and how the world works. Our origins aren't just ancient history—they're blueprints for a meaningful life, full of purpose and hope.

## LEARNING FROM HIS STORY

1. What patterns stand out to you from this creation account?
2. What significance can you see in God's *speaking* these things into order, as opposed to a more physical act?
3. Why do you believe our modern Western culture is more interested in *facts* as truth than *wisdom* as truth?

## EXAMINING OUR OWN STORY

4. Where have you seen that making right distinctions leads to life?
5. Where have you seen that blurring lines leads to death?
6. Why do you think we often resist boundaries or distinctions, even when they are meant to protect us?
7. Where in your life do things feel chaotic or "mixed together" right now?

## WRITING A NEW STORY

8. How do we honor God's order without adopting a spirit of legalism?
9. What could you do to put something about you in better order this week?

## TAKING TIME TO PRAY

Ask God to bring His calm into any chaos you're carrying, and to give you wisdom for how to live within the good boundaries He has designed for life.
