

Rehearsing the WORD

It is easy to fall prey to the notion that because something has always seemed to be one way, it will continue to be that way. While history would prove otherwise, it's difficult to believe things will change, especially when they've been the same for so long. The nation of Israel in Yahshua's day was so deeply caught up in this fallacy they wouldn't even admit their nation was in shambles. They would go on to reject the very MESSIAH they had been expecting and eventually the whole nation was destroyed by its enemies. One reason for this outcome is simply making the means or mechanisms leading up to an eventuality the actual focus of one's attention and subsequent identity. The means may justify the end in some cases, but the harsh reality is that the means should never become the end goal. It is said in the Scriptures Yahweh didn't start until He finished and that's a precedent we should all follow. So what is the original intention, the divine order of things and how can we expect to see all this fulfilled? Simply enough, we must examine the makeup of the Creator and realize the three are ONE (Deuteronomy 6:4). When we examine the activities and progression of Yahshua's goals, He **first** made it possible to be reconciled to the Father by forgiving our sins. **Second**, He made it possible for the Spirit to dwell within each of us and make us a temple, connecting heaven and earth. He **finally** established His holy ecclesia to equip, empower and unite all believers as ONE...a beautiful, mature bride for whom He will return.

- "Therefore pray the LORD of the harvest to send out laborers into His harvest."

Matthew 10:1-5 – Yahshua changed from identifying the twelve from disciples (followers) to apostles (authority).

Matthew 11:19 – "wisdom is justified by her children"

Key Words/Phrases:

Two Messages: personal enhancement and/or kingdom advancement

Discussion Questions:

1. Speaking in tongues is way more than just supplying an initial evidence that you have been baptized by the Spirit into Christ. Developing a spiritual prayer and worship language unique to you is vital to receiving heavenly downloads (frequency) and amplifying and reverberating that sound of heaven into the earth. Pray in tongues with these two purposes in mind.
 2. How important is it to hear teaching and preaching that focuses on your personal enhancement, while also maintaining a steady diet of teaching and preaching that focuses on kingdom advancement and your contribution to the unity and purpose of the whole? What are the downfalls of being self-centered and judging based on what you receive personally and rarely on what you have to give? Aren't both necessary?
 3. What did Yahshua mean in Matthew 11:19 when He stated that wisdom is justified by her children? Read this in context with the idea that Israel did not have a heart to hear or receive the TRUTH Yahshua was bringing. Doubt and unbelief will never be satisfied and must be removed.
 4. Why is the rapture such a popular outcome for most Christians, even when it admits to failure and abandonment? Why is it difficult for Christians to believe Yahshua will return for His mature bride and they will continue on as ONE in a new (refreshed) heaven and earth?
 5. Are most people consumed with a problem to fix rather than a purpose to fulfill? Explain.
 6. Examine some popular means to the two outcomes described in question #4: *evangelism, church/ecclesia, prayer, end times, worship, healing, deliverance, spiritual warfare, church growth*
 7. What does this expression mean, "SENT TO SOUND"?
- CHILDREN:** What is a healthier approach...to talk with children about Yahshua's return to receive us or the end times/sudden rapture?

Appropriations:

Today I choose to focus my desires and attention on King Yahshua and His kingdom come. I am determined to be a viable member of the body of Christ which is being united, joined and matured as a Bride to be received by her KING. I surrender my life to the Spirit to be saved (spirit), delivered (soul) and healed (body), but I will not dwell there!! I am not broken but redeemed and overcoming by the blood of the LAMB and the word of my testimony. I am about my Father's business as a son/daughter...preparing the way of the LORD and the hearts of others to receive HIM. For the KING!!!
