

Wednesday Evening Assignment

In preparation for a lively and productive discussion pertaining to the prevailing and current word of the house this Wednesday evening, I'd like to submit some thoughts for the purpose of focusing our attention on receiving and activating the Christ anointing within us.

Presently, we have these elements to consider in order to be fully transformed by Christ, fully integrated to the other members of the body of Christ and then to ultimately present Christ to the world in which we live:

- To Identify with Christ – Our IN CHRIST reality and identity
- To Appropriate what Christ made available to us. Access and utilize the heavenly resources provided by Christ...for Christ.
- To make a withdrawal by praying through the Godhead:
 - Father – Acknowledge the original design
 - Son – Praise Him for His obedience to recover, redeem and restore the original design and purpose.
 - Holy Spirit – empowering us to change...for Christ to be formed in us individually.
 - Holy Spirit – uniting all the members of the body of Christ as a testimony.
 - Holy Spirit – empowering us to present Christ to the world.
- To Invalidate anything within us that might be left over from the old.
 - Purge out the old leaven and become a new lump.
 - Don't put new wine in an old wineskin.
 - Cast out the bondwoman (Hagar).
 - Put off the old man and put on the new man

So, this Wednesday evening, beginning at 6:30 p.m., I'd like for us to discuss openly some of the events of the timeline (see below) and describe what was made available to those who identify and appropriate Christ, invoke the Godhead, while invalidating the old man.

Consider these specific aspects of Yahshua's life and ministry:

- Choosing disciples
- The baptism of Yahshua by John
- 40 days in the wilderness
- Miracles, healings and deliverances (signs and wonders)
- Interacting with religious leaders
- The Last Supper
- The Garden of Gethsemane
- The Cross
- The 3 days in the belly of the earth (hades)
- The Resurrection
- The 40 days of appearing to the disciples/apostles

- The Ascension (Acts 1)
- The launching of the ecclesia at Pentecost (Acts 2)

EXAMPLE:

For instance, how can we identify with Yahshua as He prayed in the Garden of Gethsemane. Well, for me, this seemed to be a place of great anguish for Him...a place of confliction. I have certainly experienced these times myself and I'm sure you have as well. Therefore, I identify with Yahshua as He experienced a sorrowful soul and the ultimate revelation of accomplishing the Father's will. I can then appropriate His victory and the resources associated with it (the full assurance of faith). Next, I can address the Godhead in a prayer associated with the Father's original design, the redemption through Christ and the work of the Spirit in me and through me personally, in relationship to the body of Christ and the world. Finally, I can renounce anything in my life that might try to keep me from releasing this to Christ and then releasing Christ through me.

I know this is a lot to take in, but please don't be intimidated by it, press into it by choosing to attend this Wednesday's service and growing in Christ and allowing Christ to express through you. Remember, we overcome by the blood of the lamb and the word of OUR testimony.

Blessings,

Atm
