RECONCILIATION!! I'm not sure this analogy is still relevant, but in times past, you would need to "reconcile" your bank account with a financial statement sent to you from the bank to give you an accurate understanding of the funds that were actually available to you. This statement, sent by the bank, would document all the transactions of which they processed and then you would need to account for any outstanding transactions, like checks you wrote, that had not yet cleared the bank. Failure to "reconcile" your account could result in you overdrawing your account which simply meant you were spending more money than you had in that particular account. Today we need to balance the Yahweh's Genesis account and return to the divine design, the original creative order and Yahweh's ultimate intention and outcome....**the GOVERNMENT OF YAHWEH.**

As I was praying for Elaine Couch and others within our ecclesia the other day, I was overwhelmed with Yahweh's desire to reconcile all accounts and bring His kingdom of heaven into their/our earth. But there was a new feature to my understanding of reconciliation when He downloaded His heart to me and that was He was reconciling **ALL THINGS TO HIMSELF!!** Immediately I remembered Philippians 3:21 where Paul explains Yahweh's desire to transform our lowly bodies by conforming them to His glorious body. This process of purification and transformation is commonly referred to as **sanctification** and has a futuristic objective of holiness. **Holiness** is simply taking on Yahweh's nature and operating from His other-worldliness (heaven) while living in the earth. This is why Yahshua died for our sins to prepare us to receive Holy Spirit and operate in the anointing of Christ....just as Yahshua displayed as a human. Paul in Philippians 3:21 explains that an inner energia (Holy Spirit) is making it possible for Yahweh to subdue (set, appoint, arrange, join and position those who willingly submit to His divine design and grand outcome) **ALL THINGS TO HIMSELF!!** You can imagine how excited I became when I realized the implications of this revelation. Yahweh, through creation, began a creative process that began with the Godhead in heaven, included a path through the earth and especially through mankind that would ultimately return to Him for complete glorification.

I wrote about this yesterday in an article to the teaching team and ended up sending it to several groups in the ecclesia. Per chance you didn't receive it, I'll include it below and we'll definitely be discussing this Wednesday evening at 6:30 p.m.

It fascinates me that Yahweh continues to transmit the message, wave after wave, to us through multiple illustrations and verbiage from His preceding Word. We began this ministry 23 years ago with one focus, **Ephesians 1:10:**

*“that in the dispensation of the fullness of the times **He might gather together in one all things in Christ**, both which are in heaven and which are on earth—in Him.”*

Recently, Holy Spirit has focused our attention on **Philippians 3:21**:

*who will transform our lowly body that it may be conformed to His glorious body (process of sanctification), according to the working (energia) by which He is able even to **subdue all things to Himself**.*

And then this past week, He has greatly emphasized **2 Corinthians 5:6-21**:

*“Therefore, from now on, we regard no one according to the flesh. Even though we have known Christ according to the flesh, yet now we know Him thus no longer. 17 Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new. 18 **Now all things are of God, who has reconciled us to Himself through Jesus Christ**, and has given us the **ministry of reconciliation**, 19 that is, that God was in Christ reconciling the world **TO HIMSELF**, not imputing their trespasses to them, and has committed to us the **word of reconciliation**. 20 Now then, we are ambassadors for Christ, as though God were pleading through us: we implore you on Christ’s behalf, **be reconciled to God**. 21 For He made Him who knew no sin to be sin for us, that we might become the righteousness of God in Him.”*

In essence, everything was created from the Godhead, for the Godhead and ultimately to the Godhead in a giant loop that begins in the spiritual realm (heaven), passes through the natural realm (earth), specifically through mankind, and returns to Him for full glorification. Given man's corruption from the beginning, mankind had to be redeemed, reconciled and then submitted to a process of sanctification resulting in full identification with the Godhead....holiness.

Yahshua not only made this possible, but engineered an agency, the ecclesia, to ensure the loop is completed. The church has done a poor job of 'minding the gaps' and here we are. However, there is a remnant!!

“For of Him and through Him and to Him are ALL THINGS, to whom be glory forever. Amen.” Romans 11:36
