

Rehearsing the WORD

with Apostle Todd Murner

Sunday, September 10,

As we have discussed many times, a vortex (ie. tornado or hurricane) can both draw into itself and repel objects at the same time. Life demands we judge the parts and pieces that continually present themselves to us and if we don't, our lives become chaotic and frustrating. The ultimate example of this coming together or gathering together as ONE is when the ecclesia is called together into assembly to speak on the earth what the Father has already judged through His spoken WORD. Heaven (Yahweh's spiritual realm) and earth (the created physical realm) cannot come together by any other means. While most people are a product of factions, fractions and fragments, Yahweh's sons and daughters must demonstrate a unity of the Spirit that testifies of Christ to those who are being dominated by Babylon and religion. Yahshua is the head of ONE body and this body becomes real to us as we gather as an ecclesia. It becomes real to the world when we love as Christ loved us. However, we cannot hope to transmit the love of Christ to the world if we don't love His body that gathers as an ecclesia to build each member up in their most holy faith. When we gather, according to Hebrews 12:22-24, because of Yahshua's sacrifice, Yahweh, the heavenly host (angels), the saints of old and the citizens of heaven (you and me) join together in a festival of celebration and prepare for the coming shaking in preparation for Christ's return and kingdom come.

Scripture References:

Colossians 1: - We look at the Son and see Yahweh's original purpose in everything created. For everything got started in Christ and finds its meaning in Christ. He is supreme and preeminent in everything and expresses His authority through His ecclesia, which consists of the many members of His body for which He alone is the head.

Ephesians 1:10 – Yahweh has purposed to gather all things together in Christ and at the appointed time, He will consummate the kingdom of heaven and earth once again in its fullness.

Ephesians 3:19 - Paul prays for the Ephesians that they may comprehend with all the saints the full measure of Yahweh's love and fullness, which serves to strengthen their inner man in a world gone mad.

Ephesians 4:13 – the only hope the ecclesia, the body of Christ, has is that we are joined and jointed together in such a way that the love of Yahweh is transmitted and distinguishable from the corrupt world and a counterfeit religious expression.

Key Words/Phrases:

- **"Time is of the essence!"**
- The ECCLESIA of Christ is the only agency built and authorized by Christ to bring heaven and earth together as ONE. Its purpose is to invite, prepare and equip members of the body of Christ to mature into a beautiful bride for whom YAHSHUA will return to receive and establish His eternal kingdom in a new heaven and new earth.

Appropriations:

Father, first and foremost, we bow before you in the name of Yahshua the Christ and thank you for the life we are honored and blessed to live in the earth at this time. We dedicate our lives to the cause of Christ as He extends the reach and rule of His kingdom through the ecclesia, His body is ONE. Just as Yahshua taught the disciples to pray and ask to be delivered from the evil one, we ask that you join and joint us together as one body under Yahshua, the HOLY ONE. Cause our love for Christ to be demonstrated in our love for each other. Deposit within us a holy desire to gather together and ignite our spirit man with a fire to preach, pray, prophesy and perpetuate the kingdom of heaven. We declare our gatherings will see manifestations of Hebrews 12:22-24 as we make our home on Mount Zion.

Cultivate within your child/children a hearing ear and lead them in seeing prophetically and casting a faith vision by prophesying and declaring with the authority of Christ what they hear and see.
