Questions:

1. Paul’s final salutation to the Ephesians includes some of the most common and valuable words utilized in the gospels and epistles of the New Covenant. Why is a kingdom understanding of these words so important? Why does the enemy try to redefine these words in ways that are “religious” and mundane?
2. How important is it to see the body of Christ as a spiritual family? Explain.
3. What does it mean to you to love our Lord Yahshua the Christ IN SINCERITY? What does a corrupt love look like in the body?
4. Given the entire book of Ephesians speaks to the unity of the body of Christ by the Spirit, explain your present position in the body of Christ and how you are contributing the gifts, graces and anointing that have been given to you by Yahshua for the unity and productivity of its purpose.
5. Are you actively engaged in either a formal or informal discipleship relationship that is designed to mature you and unveil a pathway of Yahweh’s will before you?

Faith Declarations and Christ Appropriations:

- Yahweh, You are love! Therefore, without a deep, face to face, Spirit to spirit, relationship with you, the love I presume to have for others is tainted. Therefore, I declare today that I will identify and engage the pure love of Christ as He loved others as a human in the earth. Holy Spirit reveal to me today the true essence of Yahweh’s love and enable and empower me to exhibit and impart that same genuine, authentic, sincere love toward others, both in the world and in the kingdom.
- Yahshua, I identify with Your life, ministry, death, burial, resurrection and ascension today and draw out of You and appropriate Your peace, Your love, Your faith and Your grace. May all these attributes of your character be fully displayed in and through me today as I give you lordship of my life and wholly submit myself to You.
