SESSION THREE: WORKMANSHIP

Take a moment to review the previous two sessions before beginning your study.

What is something that has stuck with you from this lesson?

To conclude our look into humanity, we have to answer the question of “now what?”. How does our understanding that mankind is made uniquely, distinctly and directly in the image of God take precedent in the way we live our lives? Let’s look into scripture to gain understanding for living this truth out:

Romans 6:11-13 – “In the same way, count yourselves dead to sin but alive to God in Christ Jesus. Therefore, do not let sin reign in your mortal body so that you obey its evil desires. Do not offer the parts of your body to sin, as instruments of wickedness, but rather offer yourselves to God, as those who have been brought from death to life; and offer the parts of your body to

him as _____.”

1 Corinthians 6:19-20 — “**Or do you not know that your body is a _____ of the Holy Spirit within you, whom you have from God? You are not your own, you were _____. So glorify God in your body.**”

Ephesians 2:10 — “**For we are God’s _____, created in Christ Jesus to _____, which God prepared _____ for us to do.**”

Finally, answer the following reflection questions to see the gaps you still need the Lord to fill in your life.

Where can you begin making changes to better reflect and embrace the image God created you to be?

How did you view yourself prior to this study?

How do you view yourself now?

How do you view others?

Have you used your body to glorify God or glorify yourself? How?

How have you displayed the new self in Christ? Or, do you still wrestle with the old self and its practices?
