Title: *'The Character of Priorities'*- The Missional Call- Part 8

Key text: Luke 10:38-42 & Mark 2:1-12

Suppl. texts:

Introduction: We all prioritize certain things in our lives that will set the course for our lives. As we complete the Missional Call series, let's go to the Word of God to see what the most important priorities of our lives should be.

1. **The one thing *needed***
   - Jesus had ***friends*** as we do.
   - Martha is likely the ***elder*** sister.
   - Often the oldest sibling is more ***responsible***…
   - Jesus never traveled ***alone***.
   - Many things to do to provide ***hospitality***.
   - The ***better*** thing: ***worshiping*** at the feet of Jesus.
   - Martha prioritized ***service***. A ***lesser*** thing.
2. **The *types* of people**
   - Capernaum was home ***base***.
   - The ***curious*** crowd. There for the ***show***!
   - The crowd wanted to be ***amazed***.
   - Jesus chose to preach the ***Word*** & saw a ***teachable*** moment. Just ***miracle*** chasers!
   - The ***faithful*** friends. This man is ***helpless***.
   - No one will ***get*** out of the ***way***!
   - The ***disabled*** were ***despised*** in that time.
   - Here for physical ***healing***, not ***forgiveness***.
3. **The religiously self-*assured***
   - ***Comfortable*** seats in the ***crowded*** room.
   - There to ***judge*** Jesus & His ministry.
   - To hear Him preach & ***entrap*** Him with His words.
   - They only ***thought*** these things in their minds.
   - Jesus proves His ***omniscience***.
   - He knows they have a ***negative*** opinion of Him.
   - The religious need their ***blinders*** removed.
   - Easier to ***say*** than to ***do***.
   - Jesus proves His ***authority*** to forgive sins by His ability to ***heal***.
   - The ***impenetrable*** crowd suddenly ***parted***.
