**Instructor:** Apostle Asia Roberts-Francis

**Theme:** Petition, Alignment, and Activation in the Rhythm of 5786

### Day 1: Speak as an Heir, Not a Beggar

*Scripture:* Romans 8:17

*Reflection:* You are not a spiritual orphan; you are a co-heir with Christ. Heaven is not withholding; it is waiting for your voice to align with your identity.

*Prayer:* Father, I renounce the mindset of lack and receive the boldness of sonship.

*Affirmation:* I am an heir of God. I speak with authority and expectation.

### Day 2: Petition Without Rebellion

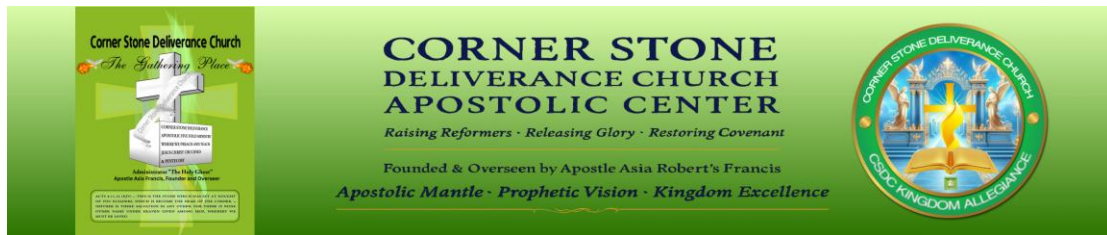

*Scripture:* Numbers 27:1–4

*Reflection:* The daughters of Zelophehad did not protest; they petitioned. Their mouths became instruments of justice. You can confront delay without dishonor.

*Prayer:* Lord, teach me to speak truth with grace and to petition in divine order.

*Affirmation:* My voice carries justice, not strife. Heaven hears my righteous petition.

*Affirmation:* I inquire before I act. I steward with wisdom and honor.

## Day 4: Heaven Legislates for Justice

*Scripture:* Numbers 27:6–7

*Reflection:* God rewrote the law to honor their petition. What was previously inaccessible became legally unlocked.

*Prayer:* God of justice, legislate on my behalf. Rewrite what needs rewriting.

*Affirmation:* Heaven is not silent; justice is being legislated for my legacy.

## Day 5: Grace Is the Activation Code

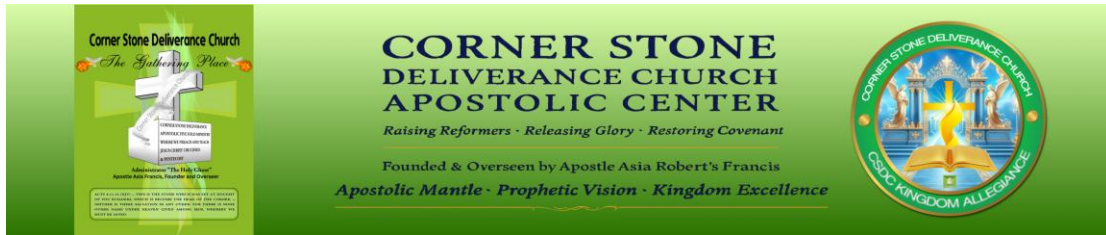

*Scripture:* Hebrews 4:16

*Reflection:* Grace is not passive; it is power in motion. You don't earn inheritance; you activate it through bold access.

*Prayer:* Yahshua, I come boldly to Your throne. Let grace work in me and through me.

*Affirmation:* Grace is working. I access mercy and help in time of need.
