

## 7-Day Devotional: *I Expect to Be Healed*

**Declaration:** *I have faith to speak to the mountain; these obstacles are only mountains, and they must be moved!*

### Day 1: Touching the Hem

**Matthew 9:20–22 Reflection:** Healing begins with expectation. Like the woman with the issue of blood, your faith must press through every barrier.

**Affirmation:** *I press forward in faith. Healing is mine because I believe.*

**Prayer:** Lord, I reach for You with expectation. Let virtue flow into every place of affliction. I receive healing by faith.

### Day 2: Seek First the Kingdom

**Matthew 6:33 Reflection:** Healing is not just physical; it's alignment with divine order. Seek God first, and healing follows.

**Affirmation:** *I prioritize the Kingdom, and healing flows into every area of my life.*

**Prayer:** Father, I seek Your righteousness above all. Let healing manifest as I walk in divine alignment.

### Day 3: Victory Over Principalities

**Colossians 2:15 Reflection:** Jesus disarmed every power that opposes your healing. You are not fighting for victory; you're enforcing it.

**Affirmation:** *Christ has triumphed. I walk in victory over sickness and oppression.*

**Prayer:** Jesus, thank You for stripping every enemy of power. I declare healing because You have already won.

## Day 4: Speak to the Mountain

**Mark 11:22–23 Reflection:** Faith speaks. Mountains move when you speak with authority. Don't describe the mountain; command it to go.

**Affirmation:** *I speak to every obstacle. Be removed! Healing is my portion.*

**Prayer:** Lord, increase my faith. I speak to every mountain of sickness, fear, and delay, be cast into the sea!

## Day 5: Mustard Seed Faith

**Matthew 17:20 Reflection:** Even small faith can move great obstacles. Don't wait for perfect faith; use what you have.

**Affirmation:** *My mustard seed faith is powerful. Mountains must obey.*

**Prayer:** Father, thank You for honoring even the smallest faith. I activate it now and expect healing.

## Day 6: Bold Expectation

**Hebrews 4:16 Reflection:** Come boldly to the throne. Healing is not earned, it's received by grace through faith.

**Affirmation:** *I approach God with boldness. Healing is mine by grace.*

**Prayer:** Lord, I come with confidence. I receive mercy and healing in Your presence.
