We are adopted into the family of God and have all the privileges and rights of a son given to us.

- Aren't we all sons and daughters of God? (NO)
- Adoption implies responsibility on behalf of the father and duty on behalf of the son

As adopted sons the Holy Spirit leads us.

- He renews our minds.
- He stirs the heart.
- He directs our wills.

We are Adopted and Loved by God (Eph 1:3-10 Page 1159)

- He planned to love you
- He paid a price to love you
- He pursues you with His love
