Dear Ramon and Sue,

I am writing to ask three big favors of you.

As you may know, I have prayed for you both for a long time and consider you special people in my life. I have included a brochure with this letter.

My first favor is to ask if you would please read through this brochure carefully. Giving you respect, honor and freedom to make your own decisions is VERY IMPORTANT to me. I would NEVER want to push you in any spiritual direction. The words in this brochure express my heart really well. While I am very cautious to never push you, I do appreciate that you have always taken a very thorough, careful and well researched approach to every decision in your life. Jesus is the center of my life. As someone I consider a friend, I pray constantly that you will investigate him for yourself.

My second favor is to ask if I may drop by some time this week with all four gifts to let you look over them and see if you want to consider one of them.

My third favor is the biggest favor of all. If you decide to do this research, I would be so honored if you would consider sharing with me your thoughts as you progress through this research. I would really enjoy chatting with you.

Thanks SO MUCH for considering my requests.
