1. Get a piece of **Chocolate!**
2. Tell us the **PAGE NUMBER** & give us **time** to **FIND** their **spot** on that page!
3. They will **READ** the line!
4. Tell us in **1-2 Sentences** **WHY** this impacted them.

**How** can these comments **help** me **lead** someone thru this study?

➤ Remember that **REPEATED** Themes **REMIND** us of **God's Emphasis!**

➤ & **DIFFERENT** Insights **Dig Depth**

After all, what gives us hope and joy,  
and what will be our proud reward and  
crown as we stand before our Lord Jesus  
when he returns? ***It is you!***

I Thessalonians 2:19 NLT

The process we are  
mapping out has a *Biblical*  
foundation, so it works!

“We are not called to innovate making disciples; we are called to **imitate** the one who came here to show us.”

- *Jim Putnam (from his Disciple Shift Conference)*

If we want to be on mission with God, we have to learn, grow and become the disciple makers we are MANDATED to be.

*This is going to require intentionality.*

If one disciple makes ***3 disciples*** every ***five years***, if those disciples do the same every 5 years, in ten years there will be almost **180,000 disciple-makers**. If they continue in seventy years (less than the average life span), there are potentially ***fourteen billion disciple-makers***. That's TWICE the number of people currently occupying our planet.

**DISCIPLESHIP**

And God said, Let **us** make man in **our**  
image, after **our** likeness...

Genesis 1:26

And the Lord God said, “It is *not good* that man should be alone; I will make him a helper comparable to him.”  
Genesis 2:18

**2. To follow God's example, we must be *safe* and keep it *small*.**

The name of the Lord is a strong tower; the righteous run to it and are *safe*.

Proverbs 18:10

I will both lie down in peace, and sleep; For You alone, O Lord, make me dwell in *safety*.

Psalm 4:8

for the **long haul!** God is much more  
*crockpot* than *microwave*.

# Share, Connect, Minister & Disciple (SCMD)

- SCMD shows us what each stage needs to ensure there is a reproducible process.
- Disciple makers work with their disciples to help them become independent disciple makers themselves!

**This requires a reproducible process.**
