

WATER BAPTISM

Water Baptism is an important act of obedience for every Christian immediately after they receive Jesus Christ as their Savior and Lord. Water Baptism is a declaration to the entire world that you have received Christ as Savior and Lord. It is a powerful experience.

In the scriptures, every time a Christian gave their life to Christ, they were immediately baptized.

Questions!

1. Why is it important that I go under the water when being water baptized?

The word Baptism in the original Greek language meant to immerse. Also, the scriptures indicate that my going under the water in baptism declares to the world that I have died to running my own life and my coming back up from under the water proclaims to the world that the resurrection power of Jesus Christ is now alive in me.

Colossians 2:12

having been buried with him in baptism and raised with him through your faith in the power of God, who raised him from the dead.

Romans 6:3,4

Or don't you know that all of us who were baptized into Christ Jesus were baptized into his death? ⁴We were therefore buried with him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life.

2. If I was baptized as an infant, do I need to be baptized again?

Baptizing infants was a practice that originated from the practice of dedicating babies to the Lord. This is what Hannah did with her baby son Samuel in I Samuel 1. Dedicating a baby to the Lord as an infant is a beautiful and meaningful ceremony. It is a time of asking the Lord to guide and protect this child.

However, it is very important for each person to make a personal decision to be water baptized as a declaration to the world that they have personally received Jesus as their Savior. This is why the scriptures indicate that it was after a decision for Christ that the person was Water Baptized.

Matthew 28:19

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit

Luke 3:3

He went into all the country around the Jordan, preaching a baptism of repentance for the forgiveness of sins.

Acts 10:47

Then Peter said, "Can anyone keep these people from being baptized with water? They have received the Holy Spirit just as we have."

3. If I have Re-dedicated my life to Christ is it a good idea to get re-baptized.

Generally Yes! There are many people who move from a state of being unsure to very sure that they are ready to follow Christ and they declare this through being re-baptized.

4. How old does a child have to be to understand how to be a Christian and to be water baptized.

The child has to be old enough to understand that: they are a sinner, that Christ died for their sins and that by receiving Jesus free gift of eternal life they are going to heaven. For some children this happens as young as 3-4 years old. Whenever you are unsure, it is important to believe the child if they say they are ready to receive Jesus as Savior.

Our Children's Pastor has water baptisms four times a year during a special service for children and their Parents.

Our Youth Ministry also has regular times of water baptisms for Teenagers.
