What if I Don’t Agree with What I Read?

There is always a good chance that I am wrong or that I have poorly communicated. I always encourage each person to research on your own. It may be that your research helps me and others to find God’s heart more clearly.

We all seek His truth by the two Bible measures of:

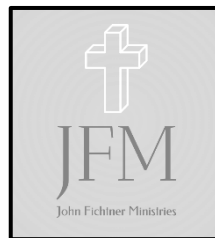

1. what is **clear** and **consistent** in **God’s Word** and
2. what bears the **Fruit** of **Jesus** in the lives of those who follow that application.

In heaven, all of God’s purposes in God’s Word will be clear and our actions will be aligned with God’s Word. I constantly ask myself, what will we **act** like and **believe** when we are in **heaven**. This is my goal in these booklets.

*“Thy kingdom come; thy **will** be **done** on **earth** as it is in **heaven**”*

A Very Personal Note from John Fichtner

This is the **only** booklet in which I am opening with a very personal note.

Over almost 50 years of counseling, I have had 100+ opportunities to love and serve people who are personally dealing with homosexuality at all levels. I **love** each of these people **dearly**.

I have **written** and **re-written** this booklet many more times than any other booklet. Here is my **struggle** and the reason I **persevered** in the writing of this booklet.

- I have seen **very few** who have had the amount of **in-depth interaction** with those who have Same Sex Attraction (SSA) that I have.
- Most people have very **strong opinions** and very **little actual experience** with having **deep personal counseling interactions** with those in the SSA community.
- Even **within** the SSA community, most are **forbidden** to **discuss** these topics.

I find people dealing with homosexuality to be **very gifted, tender, sensitive** people.

In these 100+ situations, I **never sought out** any of these counseling opportunities. In addition, I **never pushed change** of any kind on anyone I counsel. My job is to **listen** well, **love** them dearly, help them **process** their **questions** and to give them **options**.

Change is God's job, not mine! If a person does **not** want to change, I **still love them** just as much.

Because of this approach, I have seen amazing, Jesus-filled change in many individuals. When a person is stirred by the Holy Spirit to change and they are offered quality tools and a safe environment, God can do miracles.

Because there is so much **misinformation** and so many **strong opinions**, I ultimately felt the Lord leading me to just **tell** about the **process** that I have personally seen and experienced with so many precious people.

Most of this is NEW Information for you!

Because this is a **very censored** subject in today's world, most or all of the information in this booklet will be **NEW** for most of you.

I am trying to find a kinder way to say this, but I find most people to be "*Propaganda Parrots*" on this subject. They simply repeat what they have been told.

In addition, they get very **ANGRY** if anyone **disagrees** with them. They live in an "*Amygdala Hijack*" **emotional reaction** on this subject and have **rarely** used their **PFC** (*Prefrontal Cortex*) to use **logic**, to ask the **hard** questions and to **evaluate information** from a **neutral** perspective.

That leads to my opening appeal. If you **really love** those in the SSA community, will you please **evaluate** everything you read in this booklet from a **neutral** perspective of only wanting **TRUTH**?

Will you please be willing to **listen** and **process** new information?

With that background, here are the subjects that I have covered together with many dear friends over many decades.

Their Pain that they Can't Tell Anyone!

The **first** point of frustration each of them **express to me** is that they have been told that they have **NO CHOICE** in their sexual identity.

They have been told by a cruel, uncaring world that they have no choice but must follow any emotional desire as their core identity.

- These world systems do **NOT CARE** about this person as an **individual**.
- To these world systems, this conflicted person is simply a **TOOL** to be **USED** for their propaganda engine.

Yet these dear friends seeking my counsel are not idiots. They all have seen some **very obvious facts** that make them question this **vicious** world telling them that they have **no choice**.

BEFORE they come to me, they asked:

WHY?

1. IF they had NO CHOICE in their lifestyle, then **WHY** are there

TENS of THOUSANDS of very free and joyful people who **USED TO BE** heavily immersed in a homosexual lifestyle, yet they changed and now have decades of emotional freedom in a heterosexual lifestyle? If **they** had **no choice**, then **why** do **OTHERS** get a **choice**?

This one point is so **forceful** in its **logic** that it really should **END** all **discussion** for any **logical** person. If people were BORN homosexual, then there would NEVER be any FORMER homosexuals.

The tens of thousands of **former** homosexuals are **common knowledge**. Every person I have known who is involved in the homosexuality community is **VERY AWARE** of others who changed and are **NO LONGER** homosexual.

These tender hearted dear friends are not idiots. However, when they ask this question amongst their worldly friends, they never get an answer except to be shouted at in vile anger. They are basically told that they are **NOT ALLOWED** to ask that question.

WHY?

2. IF they had NO CHOICE, then **WHY** is it that **every single person** they know who is dealing with homosexuality at any level has faced **traumatic rejection experiences BEFORE** they felt these homosexual feelings? This consistency of trauma connected to every person who is dealing with homosexuality at any level BEFORE they felt these emotions, is **horribly consistent**. Not only did every single person to whom I ministered experience this pre-homosexuality trauma, but everyone **they know** in the homosexual community **also faced** pre-homosexual emotional trauma.

In my counseling, I experienced 100% pre-homosexuality emotional trauma, but other counselors who have ministered to thousands in this area, also report 100% pre-homosexuality emotional trauma rate.

Again, these dear friends are not idiots. They are very aware that emotional trauma can rewire someone's emotional base. However, if they ask this question amongst their worldly friends, they never get an answer except to be shouted at in vile anger. They are basically told that they are **NOT ALLOWED** to ask that question.

3. IF they have NO CHOICE but to obey their emotions, then WHY does every other emotionally painful subject get a choice?
- No one tells the person whose emotions feel **so angry** at their **mate** that they **want to beat** and **abuse their mate** that their emotions are the ONLY factor in their core identity and that they HAVE TO turn those emotions into action!
 - No one tells the person whose emotions make them want to commit **suicide** that their emotions are the ONLY factor in their core identity and that they HAVE TO turn those emotions into action!
 - No one tells the person whose emotions make them want to **take drugs** that their emotions are the ONLY factor in their core identity and that they HAVE TO turn those emotions into action!
 - No one tells the person whose emotions make them want to **kidnap** and **rape children** that their emotions are the ONLY factor in their core identity and that they HAVE TO turn those emotions into action!
 - No one tells the person whose emotions make them want to **quit** their **job** that their emotions are the ONLY factor in their core identity and that they HAVE TO turn those emotions into action!

They are the ONLY group who is told that emotions are the ONLY factor in core identity .

Again, these dear friends are not idiots. However, if they ask these questions amongst their worldly friends, they never get an answer except to be shouted at in vile anger. They are basically told that they are **NOT ALLOWED** to ask those types of questions.

Love gives a choice!

For God so loved the world that he gave his only son..
that we might have a CHOICE of where we spend eternity.

This is why so many have sought me out to wrestle through their questions. I give them dignity, love, friendship and the safety to ask the hard questions without being attacked.

Am I KIND or CRUEL?

This is the Most Imp. Question in this Booklet!

Everyone in same sex relationships has times that they **wish** they could be **different**. If you are a safe, loving person, then they will carefully admit to you:

*“I **wish** that I was **not** this way!”*

OR

*“I **wish** that I was **not like** this!”*

There is so much sadness and weariness in the homosexual community.

Please note that this “Wishing” is **God calling** out to them. You will hear the **same** thing from people who say:

- *“I wish I didn’t have such a **temper!**”*
- *“I wish I was not so **selfish!**”*
- *“I wish that I was not tempted by **drugs!**”*

This “Wishing” has nothing to do with society or people judging them. It is God calling them deep in their heart. You **NEVER** hear people say:

*“I wish I wasn’t **heterosexual!**”*

God has put a conscience in each of our hearts. When our conscience whispers to us, we **wish** to be **more** than what we are at present.

That is why the **MOST IMPORTANT**
Question in this booklet is?

*“How will I **RESPOND** when this hurting, tired person shares their **painful desire** to be **different** with me?”*

Someone I love is Gay!

If you have a family member or close friend who is embedded in a homosexual lifestyle, the **next chapter** will be very revealing to you.

In the next chapter we **retrace** the **spiral** that caused **most** individuals to **give up hope** and to **assign themselves** to same sex relationships.

In chapter 3, I list **8 additional** areas where I have been privileged to watch these kind, brave souls wrestle through to healing.

Untangling the Knot?

Each of the subjects listed below is a very painful tangled string in the knot of a person's soul. If you love them, you will be careful to listen well to their hearts, understand the scriptures and mostly understand God's love and hope for them.

1. Read Testimonies

Just as there are Tens of Thousands of "*Former*" homosexuals, there are also HUNDREDS of powerful, helpful testimonies. These books, blogs, articles, videos, & pamphlets are personal testimonies of those who have found great freedom in going back to a heterosexual lifestyle through the changing power of Jesus. These real life stories answer many questions and help to create a path of hope.

When someone is struggling with their lifestyle, these testimonies are a **great starting place** for research.

2. A Loving Environment

In every testimony, you will hear how certain individuals expressed massive amounts of love and lived the Christian life with great integrity and kindness around those who wanted out of the homosexual lifestyle.

3. What is a "*Real*" man?

This point takes some extra explanation.

I have seen so MANY cases where a young man is very gifted, tender and sensitive.

In our **pervasive pornographic** society, the public perception of what is a "**Man**" has changed massively.

"*Real Men*", in our current pornographic society, are told to be **cold, uncaring, predators** who view women as "*pieces of meat*" to be used and thrown away.

Our current pornographic society has placed a single measure on the test of how much you are a "*Real Man*"! That single measure has many names. It is called "*Lust*", "*Taker*", "*User*" and "*Brute Beast*".

Young men are constantly told that if those titles **don't fit** you, that you are **NOT** a "*Real Man*". The Bible talks about this perversion of the definition of a "*Real Men*", in great detail in II Peter 2.

II Peter 2:12,13

*But these men, with **no more sense** than the **unreasoning brute beasts** which are born to be caught and killed, scoff at things outside their own experience, and will most certainly be destroyed in their own corruption. Their wickedness has earned them an evil end and they will be paid in full. These are the men who **delight** in daylight **self-indulgence**; they are foul spots and blots, playing their tricks at your very dinner-table. Their **eyes cannot look at a woman without lust**, they captivate the unstable ones, and their **techniques of getting what they want** is, through long practice, highly developed.*

I Don't Fit!

For so many gentle souls in a homosexual lifestyle, it **STARTED** when they realized that they were **NOT attracted** to these traits of a “**Real Man**”.

- They were **NOT attracted** to heterosexual pornography
- They did **NOT** want to **USE** women like meat.

Because they did **NOT FIT** in that mold, they felt like they had “**Failed**” as a man!

This happens as early as first grade.

When I counsel those who feel trapped in a same sex lifestyle and want out, I often find that this is the **DEEPEST wound**. These tender gifted souls felt like there was something “**Wrong**” with them because they **wanted** to **CARE** about the **individual** and did **NOT** want to **use** them for their own selfish lusts.

My heart screams with pain as I try to tell them that a “*Real Man*” is gentle, kind, caring and wants to know someone’s heart and soul more than any other goal. I tell them that there was a time in society, way before pornography, that a “*Real Man*” was defined by “*Gentleness*”. That is where we get the word “*Gentle*” “*Men*” = “*Gentlemen*”.

Sadly, this is hard for them to hear. They have felt like a failure and that they did **NOT fit** in so many **millions** of times that my 5-10 times of countering that lie is not enough.

This deepest pain in many SSA men helps us to understand a similar pain in many SSA women.

4. What is a “*Real*” woman!

Every woman craves intimacy. There is a common analogy that the word “*intimacy*” can be broken down into the phrase “*Into Me See*”.

Every woman wants to be seen, heard, valued and understood.

A simple google search of the differences in the female brain related to intimacy reveals numerous MRI studies of the brain that show that women desire a sense of “*Safety*”, “*Connectedness*”, “*Emotional Integration*” and “*Communication Focus*.”

Simply put a woman is looking for a man who sees her **first** and **primarily** as his BEST FRIEND for life! This desire for a deep bonding of souls is a hunger in every woman.

Sadly, in today’s perverted pornographic world, women are told that they **have** to **submit** to this **passive** role of being **used** and **thrown away** repeatedly.

In fact, media tells women that **not only** must they submit to this role of being used and thrown away repeatedly... they **have** to **LIKE** it!

I have seen three general types of discouragement among women in the same sex community.

- i. Those who were **never pretty enough, skinny** enough or **flirty** enough to get the attention of a man who wanted to really care about them as a person. This loneliness was the starting point of pain in seeking another woman who would give them this sense of value and emotional connection.
- ii. This second group of women were plenty skinny and pretty enough to get the attention of men. They were **used** so **many times** by men that they gave up hope of ever finding a man who would care for them as a person and so they sought that sense of connection with another woman.
- iii. The third group are women who **hate** being **passive**! They are gifted by God as **strong leaders** and they are **repulsed** by the idea of being controlled or used. Romans 12 makes it clear that “*Leadership*” is a spiritual gift that is given both to men and women.

God made women to bring God’s heart of intimacy to our relationships and to be strong “*Partners*” with a man in the life goal of bringing Jesus love to others.

I Peter 3:7 makes it clear that God will NOT hear the prayers of a man unless he treats his wife with great consideration, respect and as a partner and fellow heir of salvation with him.

The fact that she is physically weaker than him is NOT a reason to treat her as LESS; but to value her more highly.

*I Peter 3:7 Husbands, in the same way be **considerate** as you live with your wives and treat them with **respect** as the weaker **partner** and as **heirs with you** of the gracious gift of life, so that **nothing will hinder your prayers**.*

REMEMBER 

Before we move on to the next four, **PLEASE** remember that **rejection**

PIERCES

to a **MUCH DEEPER level** in the sensitive, tender person.

Rejection that **some** people might **shrug off**,

causes others to be **shattered** at the **inmost** level of their soul.

It is shattering to believe that you will never be a “*Real Man*” or that you will never be loved and valued for your precious soul as a woman.

That tender, sensitive personality explains a lot of family dynamics.

5. Forging and Moving on from our Parents

In some cases, there were **abusive** parents. In many cases there were **absent** parents, either **physically** absent or **emotionally** absent.

Almost everyone, no matter their sexual attraction, has to deal with the subject of forgiving and moving on from our parents emotionally.

However, for these tender, sensitive, gifted individuals, they have to give themselves **permission** to **acknowledge** how **deeply** certain things wounded them before they can move on emotionally.

6. The Damage of Pornography!

So many scientific studies have shown that ALL pornography impacts the brain like an exploding bomb. Pornography damages and rewires the brain in dysfunctional ways.

Pornography is also the widest open door to inviting demons in our souls.

For many in same sex relationships, the same sex porn was what put them over the edge.

They were both shocked and attracted when they first saw homosexual porn. The more they watched the more the shock wore off and they began to hope that they could find a place of emotional safety and physical satisfaction in a same sex relationship.

7. The Damage of Molestation!

This one really hurts. It hurts a LOT!

SO MANY in same sex behavior were coerced into a situation where they were sexually molested at a young age. They felt shame, guilt, repulsion and attraction all at the same time.

They felt **shame** and **guilt** because they often falsely believe that the molestation was their fault.

They felt **repulsion** and **attraction** because they did **not want** the molestation but they **wanted** the **gentle touch**, the **affirming words** and the **emotional connection** offered by their molester.

If pornography is a bomb, molestation is the total destruction of a human soul. This is damage that only God can heal.

8. Knowing the Living God who can COMPLETE Us!

Finally, we get to a point where the tender, sensitive, kind and gentle heart of the same sex person is an ADVANTAGE! These are people that were **created** by **God** to **know him, intimately** and **powerfully**. These are people that have a **high calling** on their lives. When healed they are some of the **brightest lights** for **Jesus** on the planet. At a much **deeper** level than most - - - they understand:

- How much **God loves** them.
- How much **power** Jesus has to **complete** them.
- How their **tender, gentle** heart is a **blessing** and **not** a curse.

It is **not** a short process, but it is a process that gets **sweeter** and **easier** every year.

If I was Hypnotized – Would I Know it? 4 Observations about Media!

Observation # 1 – Brain Waves Speed!

Brain waves are measured in Hertz (Hz), which represents the number of cycles per second of electrical activity in the brain. The five most major functions of the awake brain activity are:

Delta – .5-4 Hertz per second
Delta waves = our **sleep** function.

Theta – 4-8 Hertz per second **The Scary One**

Alpha – 8-12 Hertz per second
Alpha waves = **relaxed** and **meditative** like a day at the beach.

Beta – 12-30 Hertz per second
Beta waves = **active** thinking, **problem** solving and **conversation**.

Gamma – 30-100 Hertz per second.
Gamma waves = **intense** focus and sudden **insights**.

Here is some very **IMPORTANT** information about **THETA** Waves

Before the introduction of **Movies** and **TV**, Theta waves were a **very RARE** and very **SMALL** portion of our lives.

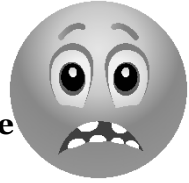

1. Most people only experienced Theta waves for a **few seconds** when they are half-awake and half-asleep when waking,
2. In the **1840s** James Braid began research on how to bring a patient into Theta Waves while still **awake**. He found that the Theta state made patients very **submissive** to **any suggestion**. Their **filters and logic functions were disabled** and they readily **obeyed illogical orders**. He called this state **Hypnosis!**
3. In 1969 Herbert Krugman produced research that showed that while watching **TV** and **Movies**, our brains are reduced to the passive, submissive **Theta** waves state.

With the **explosion** of media, we have **gone** from experiencing

| |
|--|
| Theta waves 2-5 SECONDS /week to Theta waves 30-50 HOURS /week. |
|--|

| |
|---|
| 9 Million Percent Increase |
|---|

Watch any happy, hyper **5 year old** who is put in **front** of a **TV** and you can see them transform into the **zombie** state of Theta waves.

How can you tell if someone is hypnotized?

When someone is hypnotized, they **completely believe** what they are told, even if it is one hundred percent **illogical**.

If a hypnotized person is told that **all GRASS** is the color **BLUE**, they believe it with their whole being. In addition, they get very upset and angry at anyone who tries to tell them that grass is green.

Again, with the explosion of media, our TIME in the HYPNOTIC state has gone from

| | |
|---|---|
| Theta waves 2-5 SECONDS /week to | 9 Million Percent Increase |
| Theta waves 30-50 HOURS /week. | |

Observation # 2 – Media’s level of Influence!

With the birth of the **internet** in **1990** and **smart phones** in **2007**, media has now become the **DOMINANT INFLUENCE** in the **world**.

If you asked all 8-9 billion people if media has **more worldwide influence** than any **individual** or **government**, you would get massive agreement.

Observation # 3 – Media’s Primary Goal!

Before 1990, throughout history, homosexuality was considered by most of the known world as something that was wrong!

Since 1990, with constantly **increasing frequency**, media has set the goal to convince every person that there is **NOTHING WRONG** with homosexuality.

Whether you think homosexuality is a normal behavior or is something wrong, **everyone** can **see** the obvious goal of media since 1990.

Observation # 4 – Amygdala HIJACK!

Short term “*Amygdala Hijack*” is recognized by people having **panic** attacks or explosions of **rage**. During those times, their **Prefrontal Cortex (PFC)** is completely **shut down** & they have **zero** rational or logical thoughts.

What is more important however, is the research on **LONG-term “Amygdala Hijacks”**. This is what scientists call **Brain Washing!**

When a cult wants to “*Brain Wash*” a victim, they place them in **hundreds** of situations that provide **deep EMOTIONAL Connection (Amygdala)** but are completely **ILLOGICAL!**

From a scientist point of view, the goal in brainwashing is to **permanently shut** down the **PFC** on **specific** subjects.

Since 1990, most people in the world have experienced TENS of THOUSANDS of Brain Washing opportunities related to homosexuality. In these very **emotionally connected** TV shows, they draw the viewer into a **deep emotional connection** with the people on the TV or movie. They then warmly present someone in homosexuality as **admired** and considered **normal** by everyone else in the TV or movie.

When you **COMBINE** massive amounts of **Theta Waves / Hypnosis** with thousands of instances of long term **“Amygdala Hijack” / Brainwashing**, the effect is increased by a factor too high to measure.

This **DOUBLE** combination creates individuals who have **lost** the **ability** to **calmly** and **logically** examine this issue on which they were hypnotized.

Are People Born Homosexual?

Of course not! Besides this being completely proven by the tens of thousands of *“Former”* homosexuals, there was a 2019 study of approximately 477,000 same sex individuals led by Ben Neale at the Broad Institute. This was the largest genetic analysis of same-sex sexual behavior to date. They proved scientifically that there is no genetic causation for same sex behavior. The details of this study are available online.

If you have been hypnotized and brainwashed then all of this information simply makes you angry and you refuse to believe it.

What if you are NOT Hypnotized or Brainwashed but you are simply aware of how kind, tender and sensitive are individuals in the same sex community?

It is possible that you can still think logically and that much of your reaction is because you also love some dear people in the same sex community.

It is possible that you have never had the opportunity to see them treated with kindness, dignity and hope from a Christian perspective.

If that is the case, I ask you to carefully consider three more subjects in the final three chapters.

Satan's Goal – the Un-thinking Bystander!

I decide what is right & wrong – NOT God!

There are so many other significant and important points of **science** and **logic** on this subject. First, though, we need to ask an important question.

Why are so many “**un-thinking**” bystanders so **angry** and so eager to say that there is “**nothing wrong**” with living a homosexual lifestyle?

The answer is simple, sad and clear.

The Bible makes it clear that this world belongs to Satan.

*1 John 5:19 We know that we are from God, and the **whole world lies** in the **power** of the **evil one***

*II Cor. 4:4 the **god of this world** has blinded the minds of the unbelievers*

*John 14:30 I will no longer talk much with you, for the **ruler of this world** is coming.*

When “**I decide**” that there is “**nothing wrong**” with living a homosexual lifestyle, I have clearly taken a stance that:

1. There are **NO** Moral Absolutes!
2. I renounce the **Bible** as God's Word!
3. I **Renounce God** as God!

I have set myself as god and **I** am the **ONLY ONE** who can **decide** what is **right** and what is **wrong**.
 Something **FEELS SO GOOD** about setting **MYSELF** as the **final judge** of all that it right and wrong.
 That good feeling is the **pleasure** of **rebellion**.
 That is the real **motive** of our heart!

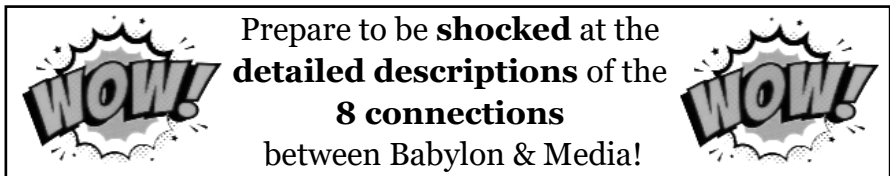

This is Satan's goal. He is NOT after the same sex community as much as he is chasing the Un-thinking Bystander so he can get them to renounce God.

Chap. 6

The Bible Predicted This!

The **final one third** of the book of Revelation is **dominated** by the discussion of “**Babylon**” **controlling** the **entire world**. We are told that we will **know** that we are in the very **LAST FEW MINUTES** of the “**End Times**” when **Babylon** has been **released** over the **entire world**. Revelation says that we will **recognize** the world-wide rule of Babylon by **two traits**.

1. People will be very **IRRATIONAL!**
2. There will be a level of worldwide **IMMORALITY never seen** before.

**1. Babylon is Media**

Before ancient Babylon was called Babylon, the Name of that country was **MEDIA!**

*Rev. 14:8 A second angel followed and said,
"Fallen! Fallen is **'Babylon'/'Media'** the Great,"*

As a former math major in college, I can tell you that the chances of this name being a **coincidence** are beyond mathematical probability.

2. Participation in Babylon/Media is NOT a Choice

As stated earlier, we are now **required** to **participate** in media!

*Rev. 14:8 A second angel followed and said, "Fallen! Fallen is Babylon the Great," which **MADE/Forced or Required***

3. World Wide Domination - NO ONE Escapes it's Influence

Babylon is not a country. It is an influence that takes over the whole world.

Rev. 14:8 A second angel followed and said, "Fallen! Fallen is Babylon the Great," which made

ALL the NATIONS World-Wide domination

4. Theta/Hypnosis & Amygdala Hijack/Brainwashing Predicted

This phrase “*maddening wine*” literally means to be “*Irrational*” or “*Illogical*”. This trait of Babylon is given again in Rev. 18:2

Rev. 14:8 A second angel followed and said, "Fallen! Fallen is Babylon the Great,' which made all the nations to drink the

*maddening wine/**Irrational / Illogical thoughts**"*

5. Immorality like Never Before

Who could have predicated a world where 20 million or more are sold as sex slaves each year according to the FBI.

The Bible predicated that the main goal of Babylon / Media would be to lower the sexual moral standards across the world.

Rev. 14:8 A second angel followed and said, "Fallen! Fallen is Babylon the Great,' which made all the nations to drink the maddening wine of her

*adulteries/**Immorality**"*

6. Babylon/ Media is the Home of Pornography

Who could have predicated a world where pornography is everywhere with everyone?

Current statistics are the 98+% of all young men in this country have experienced a heavy immersion in pornography before the age of 21.

Pornography not only damages the brain. It is the widest door for demonic influence in a life.

Rev. 18:2 Fallen! Fallen is Babylon the Great! She has become a

*dwelling for **demons** & a haunt for every impure spirit / **Pornography***

7. **Babylon/ Media creates Unprecedented Greed**

We are told that this worldwide influence will make everyone focus on “*Things*” and the desire to be “*Rich*” in material possessions.

Rev. 18:2 Fallen! Fallen is Babylon the Great! She has become a dwelling for demons & a haunt for every impure spirit....

³For all the nations have drunk the maddening wine of her adulteries. The kings of the earth committed adultery with her, and the

*merchants of the earth grew rich from her excessive luxuries. / **Greed***

8. **Babylon/ Media will be Destroyed in ONE HOUR.**

It is basically impossible for a country to be totally destroyed in one hour.

Yet the Bible is adamant that Babylon will be destroyed in One Hour.

All it takes is one powerful **solar flare** and **all media** will be **destroyed**.

It would take approximately one hour for the black out effects of a massive solar flare to spread across the earth & wipe out all media.

*Rev.18:10 In **one hour / solar flare** your doom has come!*

*Rev.18:17 In **one hour / solar flare** such great wealth has been brought to ruin!*

3 Conclusions

Conclusion # 1 - Historical Evaluation

Never before in history has an entire world embraced a conclusion that is 100% completely illogical, completely unscientific, yet causes billions to defiantly tell God that He is not God and that each person decides their own morality.

If you have read this booklet and you are NOT someone who lives ONLY for Jesus as your Savior and Lord, please **recognize** that this is a **world wide sign** that we are in the very **Last Minutes** of the “*End Times*” and Jesus could return any day.

Please search out the truth of Jesus and don't delay.

Conclusion # 2 - Research Options

Fab 5 → 5 Short Booklets on Researching Jesus & Christianity

I personally was **not** raised in a **religious** home. As a teen I spent 5 years deeply investigating **every world religion**.

I did **NOT want** to be a Christian! I wanted ANY other religion to be true except Christianity. **MORE** than I **disliked** Christianity though, I desperately wanted **clear, logical, provable** answers to **hard** questions. That is the background of these 5 booklets.

1. **Christianity** - The **ONLY** Logical Religion
2. **Hell** – Why Would a Loving God Create an Eternal Hell?
3. **The Blood of Jesus** – The Most Powerful Words Ever Spoken.
4. **The Cross** – The Story of the Last 24 hours
5. **Test Yourself** – Do your Life Goals bring you LIFE?

If you were raised in church and are passionately committed to Jesus, these booklets will give you great **joy** and **confidence**.

If you are not as familiar with Christianity, you will find yourself fascinated by these booklets. These 5 studies ask and answer the **HARD Questions!**

Conclusion # 3 – **Relieved & So Sad!**

For many sincere Christians, your **emotions** are very **MIXED** right now.

You find yourself **RELIEVED**

that someone gave **kind, well-reasoned, Biblical** responses that expose **Satan's real plan** on this subject and the **world's cruelty** to the **victims** of this **propaganda**.

At the same time, you feel so **very, very SAD!**

You **DON'T LIKE conflict** and the **deceived** people you know get **SOOO ANGRY** when this subject comes up.

Your **sadness** and **hesitancy** are **normal** and **right** and **Godly!** The **Lord** is so **pleased** with your **tender** heart!

It is very possible that the Lord Jesus is **NOT** asking you to **INITIATE** this dialogue with others.

- This material is for Pastors & Youth Pastors
- And for **you** to have as a **RESPONSE** when someone asks you about this subject.

That is why
II Pt. 3:15
 is on the
cover of this booklet.

I Pt. 3:15 But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with **GENTLENESS** and **RESPECT**.

If you have a **family member** or **close friend** who is embedded in a homosexual lifestyle, this booklet helps you to see how to be **kind, encouraging, loving** and **patient** with them.

At some point, they will be sad and tired of their lifestyle and you can **ask permission** to share some **OPTIONS** with them through this booklet.

Your prayers and love will allow them to feel safe with you. You can trust Jesus to reach them because Jesus loves them so much more than any of us can imagine.
