

4 Titles

Supernatural Financial Provision,
Hearing the **Holy Spirit's Direction** More **Clearly** than Ever,
How we are a **TEAM** – Jesus needs **YOU** to **complete** the Sermons
Having more **JOY & ENERGY** than you have **EVER** had in your Entire Life!

Three Main Points

1. If you take \$20 each week and put it in an ENVELOPE in your Cabinet.

If you can't afford \$20 you put \$10, \$5, or \$1 You do **NOT** give this money to any Church or Organization!

2. These Two Sermons are an ATOM BOMB!

We were all wondering if these past two sermons would be a **firecracker**, or a **bullet**, or a **mortar** shell

It turns out that they are **MORE** than all of those. These two sermons are a **spiritual ATOM BOMB**.

If you had **10** people listen to these **two sermons carefully** & process with you, → **5-8** of them would be **eternally changed!**

Really Important Note: A bomb is great for removing **rocks** but **NOT** great for **building!!**

That is why these sermons are **INCOMPLETE** without you as I **explain** 3 sections **below**.

3. The Key phrase is "I want to PAY you for your TIME"

This Evangelism money is **NOT** to **BRIBE** people to listen to these two sermons. People don't like to be bribed.

With this money you tell someone that you want to "**Pay them for their Time**" for **TWO** hours of work at a specific rate.

The conversation looks something like this!

"Our church gives a \$50 Gift Certificate to anyone who will listen to these two sermons and talk them through with a member.

*I am glad to give you the \$50 Gift Certificate, but I **ALSO** wanted to offer you something **extra**.*

*You are so **Precious** to me and your **Time** is so **Valuable** that I want to **PAY** you for your **TIME**.*

*It will take you a total of about **TWO** Hours to listen to both sermons and talk with me.*

*I want to **pay you for your time** at a rate of \$25 per hour or a total of \$50*

if you will listen well or watch these two sermons and then talk them through with me."

You will obviously be **CREATIVE**.

- **MANY** times, you will use this money to treat a visitor to lunch as you discuss the sermon.
- For **FAMILY** the pay scale may need to be **HIGHER**. 😊
- You may pay for someone's **counseling, car repair** etc. in exchange for listening to the two messages.

What **HAPPENS** to us who have this Evangelism Account in our Homes!

1. The money **BURNS** a **FIRE** in our **Hearts!**

- Each week, as the **MONEY** in the envelope grows, the **EXCITEMENT** grows.
- Every 5 weeks there is **another \$100** to **pay** someone for their time to hear these messages!! **WOW!**
- Each of these situations increases the **Excitement, Confidence, Joy** and **Eagerness**.

2. The money just makes it so **WARM, KIND, & EASY!!**

- The money makes **TIMID** people – **VERY Confident, Joyful, Eager** and **Charming!**
- There is something so very **HONORING** about telling someone that you **VALUE** them **SO MUCH** that you want to **PAY** them for their **TIME** out of your **OWN POCKET!**
- I have done this many, many times for many years and have great stories to share with you.
- The money also makes **sure** the process **gets completed**
- In **Luke 16:9** Jesus told his disciples to **USE Worldly Wealth to gain friends for ETERNITY!**

How does this involve **SUPERNATURAL FINANCIAL Provision?**

1. You save your weekly amount PLUS promise the Lord an extra 10% of any SURPRISE money HE gives you.

For some of our single moms on very tight budgets they truly don't have an extra \$20 per week.

For them (& everyone) I recommend an extra point of commitment to your evangelism budget.

I recommend that you promise the Lord that – if he gives you any **SURPRISE** money – that you will give the first 10% in tithe but that you will put a **SECOND** 10% into your Evangelism budget.

If you get a "Surprise Inheritance" of \$50,000, you will tithe \$5,000, put \$5,000 in your Evangelism budget and you get \$40,000 to spend.

2. The Subjects that EXCITE me and the Subjects that EXCITE God!

If you praise me on my preaching or my work ethic or my clothes, I really appreciate it.

However if you praise my **WIFE** or my **GRANDKIDS**, I literally **EXPLODE** with **EXCITEMENT!!!** ☺

In the same way, **EVANGELISM** is one subject that gets a **VERY EXCITED** response from **GOD**.

I do **not often** talk about **Supernatural Financial Provision**, but I sincerely believe that Jesus would enjoy **SHOCKING** us with **surprise miracle** blessings in this area – just to **show** us how **excited HE** gets when people put their hearts into reaching the lost!

How we are a **TEAM** – Jesus needs **YOU** to **COMPLETE** the Sermons

These sermons are an **ATOMIC Bomb** but they do **NOT WORK** unless your friend has **YOU!**

The effect of these bomb sermons
is that they **blow up** the **Big ROCKS**
of **Deceptions, Hard Hearts**
and especially the **Two LIES**

that people can find Life **APART** from Jesus or
that people can have Jesus as a **PART** of their life!

I basically just gave you **Romans 1,2,3, 6 & 7**
and some key words of Jesus.

I think this may be why the Lord made me **wait**
40 years to teach these messages – so I **FIRST**
taught all the **other stuff** first.

What these two messages did was simply **blow up** the **really HARD** stuff for you
so that they are ready to **LISTEN** and hear the **rest** of the **GOOD NEWS!**

Each person will have a unique background and unique areas of understanding or lack of understanding.
They need **YOU** to **FILL in** what is missing and put them back together in Christ's heart and in Christ's direction!

AFTER these two sermons, the bad stuff is blown up but they **NEED** their **FRIENDS** to put the pieces back together in the **RIGHT** direction! These sermons are **INCOMPLETE** without **YOU!!**
There is so much **MORE** to the Gospel than what I **preached!**

BEYOND what I taught, there is **MASSIVE** information about;

- 1) The Breastplate of Righteousness & Jesus giving us **HIS Righteousness**
- 2) **Walking** in the **Spirit** – Rom. 8
- 3) The **Blood** of Jesus
- 4) The reality and logic of **Hell**
- 5) The details of the **Cross**
- 6) Confessing Sin & Receiving Forgiveness as an **ON-GOING process** – I Jn. 1
- 7) How we **Don't** change our **Own Hearts** but we **ASK** God and **HE changes** our hearts. That is the **amazing** subject of **GRACE!** And so much more.

Hearing the **HOLY SPIRIT'S DIRECTION** More **CLEARLY** than Ever

After the first **three** or **four** times of leading people to Jesus you will **relax** and be **AMAZED** at how **EAGER** the Holy Spirit is to guide us.
Nothing excites Jesus more than us completing the mission He gave us.

BOTTOM LINE With **ALL** of these pieces now in place each of us will find it **EASY** to lead **TWO** to **TEN** people to Jesus **EVERY YEAR** and we will be **ALIVE** with more **ENERGY & JOY** than we ever thought possible!!

THANK YOU
for being **SO KIND!**

*Life: Am I Fulfilled? What am I Living For?
What is my Life Purpose?*

These are questions everyone eventually asks.
Our church has 2 messages that help people to answer these questions. We offer \$50 in Gift Cards to anyone who will listen to both messages and talk them through with a member.
If you wanted to do that, I would be honored to be a sounding board to hear your thoughts. If you text "**LIBERTY**" to **88202** these 2 messages will download to your phone.

I am Praying for You!
