

John 4:43 - 5:18

1. Name something you use every day that you are thankful for but probably take for granted.
2. Read 4:43-54. What can we do to avoid being over-familiar with Jesus (like the people of Galilee) and lose a sense of awe in him?
3. When you are in a crisis, like the father, how often do you pray? What are your prayers like?
4. Did Jesus come to Earth to be a miracle worker?
5. Read Luke 18:1-8. The father in John 4 would not be deterred and keeps asking Jesus for help. What stops us from being persistent in prayer?
6. Read John 5:1-18. How do we see Jesus' compassion for people here and elsewhere in the Bible?
7. What does Jesus' conversation with the healed man in the temple tell us about Jesus' intentions?
8. Read Matthew 23:23-24. What is Jesus' problem with the religious leaders and how can we be like them today?
9. What is one way you want to apply this week's message to your own life?
