

## Renovate – Week 4

1. Name one thing that tastes better with salt.
2. What stood out to you from this week's sermon?

Read Matthew 5:13-16

3. Name some ways that Christians are a positive influence in the world.
4. Do you know someone who is open with their faith? What do you admire about them?
5. What are some ways people allow their light to shine?
6. When there's a big reveal, it is to show off what's been done or renovated. Spiritually, when we let our light shine, we are showing off what God has done in us. Has God done something recently in your life that you would like to share with others? What is it?
7. What, specifically, could you do to allow your light to shine this week?
8. Who do you know that you would like to invite to church?
9. What are the top things that you hope to take away from this Renovate series?

Matthew 5:13-16

<sup>13</sup>“You are the salt of the earth, but if salt has lost its taste, how shall its saltiness be restored? It is no longer good for anything except to be thrown out and trampled under people's feet. <sup>14</sup>“You are the light of the world. A city set on a hill cannot be hidden. <sup>15</sup>Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. <sup>16</sup>In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.
