Mary Renard

Let's Go Together to Fulfill the Great Commission

Mary Renard is one of our ministry partners who works with Word of Life in France. Mary has been working as a missionary for almost 9 years and has been a PPC-supported missionary for 2 years. Her role consists of working with media and technology including producing and editing videos for their outreach camps and other events.

Word of Life International Ministries makes a sustainable impact in the nations it touches by equipping foreign ministry leaders through Bible Institute training and empowering missions-minded individuals for ministry.

“So then, just as you have received Christ Jesus as Lord, continue to walk in him, being rooted and built up in him and established in the faith, just as you were taught, and overflowing with gratitude.” Colossians 2:6-7
