

Summer ROAD TRIP

Pt. 1: The Ultimate Guide To The Ultimate Road Trip

Questions for further study and application:

- Day 1 Read Hebrews chapter 11. This chapter is known as the faith chapter. It is a who's who of people that demonstrated incredible trust in God that went the extra step. They often have been referred to as the super heroes of the Bible. If you are feeling discouraged, this is the chapter to go to. These are the people in the Bible that take can't and make it can. They have done the impossible with amazing faith in God. You can do the same thing. Matthew 17:20 says if you have faith as small as a mustard seed you can move mountains. All of their stories start with a single step; what step do you need to take today to begin to move forward?
- Day 2 Read Hebrews 12:1-3. You have to keep your junk in the trunk. God has given you a race to run. He has given you a lane that is only yours. In order to run fast and swift, you must shake off anything that can hold you back. What are things that hinder you? Do you have past regrets or future concerns? You can live in the past and not even realize you're missing out on today. You can be so focused on the future, you miss the moment. Staying present can be more challenging than living in the past or fretting over the future.
- Day 3 Distraction is one of the biggest ways the enemy keeps you from running the race God has for you. If he has you focused on someone else's lane, you will stumble in your own lane. The devil is so subtle. One way he distracts is by getting focus off of God's plan for you and reminds you of past mistakes. He wants use your past to discourage you and keep you down. This can keep you from running the race God has set before you. Focus today on putting your past away and moving forward towards God's plan.
- Day 4 There is only one way you can persevere in your race; by keeping your eyes focused on Jesus. Read Hebrews 12:2. You've heard the term, "eye on the prize," Jesus is the prize. He is why you are running. If you forget that, if you look to the left or the right, you'll miss out on the prize. You won't have the endurance and the stamina to persevere and finish the race. Jesus has already overcome anything you may be facing. Keep your focus on Him and He'll show you how to overcome it.
- Day 5 Jesus is seated at the right hand of God. He's not pacing, He's not worried, and it's all good in His hood. Keeping this in mind will help you remember that everything can be good in your hood too. Jesus has your back; He's got a plan for you and His plan is good. Not only will Jesus make your life better, He makes you better at life. Re-read Hebrews 12:1-3. Put your junk in the trunk, fix your gaze on Jesus, and run your race!
