Ice Breaker: *When God brought His people back from exile, it was almost too good to be true!*

- **Q1: Have you ever experienced something from God that felt almost unbelievable—like, “Is this really happening?” What was that like?**

Read Psalm 126 together. This Psalm reminds us that God’s people are meant to show the world how good and great He is.

- **Q2: When you look back on the past few weeks or months, what’s something God has done for you that you’re thankful for?**
- **Q3: Can you think of a recent moment when you truly felt overwhelmed with gratitude for God’s grace in your life?**

The psalmist asks God to restore their fortunes like streams bringing life to the desert.

- **Q4: Is there an area in your life right now that feels dry or difficult—where you're really needing God's help or refreshment?**

Walking with God means doing good, hard, and sometimes painful work while we wait for His promises.

- **Q5: Where are you finding it hard to stay faithful or hopeful in this season?**
- **Q6: On the flip side, is there any area where you've seen signs of growth or blessing because you've stayed faithful?**

As the people of God, we've experienced redemption, but we still need it. So we ask!

- **Q7: Is there any place in your life where you've been feeling stuck, discouraged, or resigned—where you need to ask God to restore your joy?**
- **Q8: Looking back and looking ahead, what's one thing you feel God is inviting you to hold onto—or let go of—as He continues His work in you?**

Take a few minutes to encourage each other and spend some time in prayer together!
