

# WEEK 1

## TABLE TALK GUIDE

### THE BIG IDEA

We can see God  
through Jesus.

### THE BIBLE

John the Baptist: John 1:1-18;  
John 14:6-11

MEMORY VERSE OF THE MONTH:

Jeremiah 29:13 (NLT)

“If you seek me wholeheartedly, you will find me.”

### QUESTIONS

- Name three things you remember about John the Baptist.
- Do you think John the Baptist's job was an easy one? Why or why not?
- In John 14:6–7, Jesus talks about being "the way." How is Jesus the way?
- What are some real ways we can be the guide to Jesus for our friends?
- If you could guide someone closer to Jesus, who would it be?

### ACTIVITY

You can't go to the museum without getting a souvenir at the gift shop! Souvenirs are a great way to remember your time at the museum. This week, take time together to make a memorable “souvenir” - or two!

**Take a “souvenir” selfie with mom or dad while “preparing”!**

- + Just like John the Baptist prepared the way for Jesus, you can help mom and dad “prepare the way” by helping prepare for a family meal.
  - “Prepare” the table by getting all the utensils, plates, and glasses set for everyone (don't forget the napkins!)
  - Help the cook “prepare” the meal!
  - “Prepare” the way to a clean heart - er - house by rinsing the dishes off or taking out the trash
  - “Prepare” a board game to play together or snacks to watch a movie together
- + Write an encouraging note for a friend, or parent that might help that person experience God through you.

After all, **we can see God through Jesus**, and we can help people see God through our words and actions!
