OFFERING HOPE TO ALL WHO THIRST

FROM MESS TO MISSION

Grace doesn't just forgive our messes ... grace takes our messes and turns them into mission.

There's a difference between _____ faithful and being faithful.

I. Failing doesn't make you a _____

A. Why does the familiar feel safer than the calling?

1. Control
2. Less _____
3. Less chance of _____
4. Enforces our _____
5. Shame makes our world smaller

B. Familiar failure feels _____
unfamiliar faithfulness.

II. Turn it into a _____

A. Feed my lambs—care for the _____

B. Shepherd my sheep—take responsibility for the people

C. Feed my sheep—_____ the flock

Your failure is not your _____.

Your failure is not your _____.

Your failure does not have to be the end of your story.

We are not called to be people who pretend they never missed the mark. We are called to share what grace does when we do.
