7. Intimidation 3: This Will Not End Well For You (44)

"The Philistine said to David, "Come to me, and I will give your flesh to the birds of the air and to the beasts of the field."

All of the accusation and opposition came from men who outranked David in some way. One was his eldest brother - family. Another was the fearful king of the land – human authority. The third was the opponent himself who was visually intimidating, absolutely confident and had a previously undefeated record. None believed in David but David was not knocked off course by them or their words. The giant ended up falling and David was elevated by God.
