

Biblical Human Sexuality

Genesis 1-2 establishes God's design for marriage. What does Pastor Tim say this encourages?

---

---

---

Evidence collected by both Pastor Tim and Phil points to who as being those who first suffer when God's design is abandoned?

---

---

---

What mental health issues in children arrive when God's design is abandoned?

---

---

---

What criminal activity has increased tremendously with the abandonment of God's design? What does the world promise sexual freedom will bring? How is that the same/different then God's claim of what happens when we follow His design?

---

---

---

---

How does the abandonment of God's design in American culture impact your parenting when it comes time that your kids want to date?

---

---

---

What historical Christian teachings are challenged by the affirmation of transgenderism? How would you rate the importance of these teachings?

---

---

---

---

What is the question Phil says is the first question to ask your child when talking to them about transgenderism?

---

---

---

What does confusion over identity create in children? What do kids need from adults? How important is a community?

---

---

---

What is Phil's advice about having "the talk?" What are some of the assumptions behind this advice?

---

---

---

What was Pastor Tim's advice when it comes to raising your kids and transgenderism? What are some of the assumptions behind this advice?

---
