

Stages of Development

What are the two parts of development in the first 3 years?

In the 3-5 years, how do children “listen?”

Considering the importance of the first 5 years of development, how important is it to share our faith with our children? Have you ever thought “they are too young to get anything?”

What is the first major “how do I” that shows up in a child’s life?

What was the application of Genesis 1 and 2 that Pastor Tim makes for the child 6-8 years old? The “tween”?

What are the key lessons needed for the “tween?”

Proverbs 22:6 tells the parent to be what for a child? Why is the early teens a needful time for a parent to obey this command?

What is a later teen trying to discern?
