* No one can predict when a storm is going to strike. But World Renew is committed to responding in the aftermath. Serving in over 50 countries (including the United States), World Renew provides displaced families with the resources and relationships necessary to rebuild communities and to renew hope—providing long term hope to face future storms and challenges.

Bethany Christian Services:

Every day, more than 40,000 families are forced to leave their homes and communities on account of violence, war, persecution, famine, or natural disasters. And Bethany is there to help. As a nationally recognized leader in refugee resettlement services, Bethany partners with local congregations to share the love of Christ with families who are being relocated to West Michigan.

There is Hope—Malawi, Africa:

Refugees continue to flock to Malawi—filling the Dzaleka Refugee Camp to a population of 42,000 forcibly displaced people. Originally designed to accommodate 8,000 people, the camp continues to expand—but with limited resources. That is why "There Is Hope" is committed to serving with the love of Christ—providing education and practical training to those living within the camp.
