DISCUSSION QUESTIONS

How has God been shaping you for what he created you to be?

What are the gifts you witness in those around you?

What is your spiritual gift? How can we as a dinner group help you identify your spiritual gift? Can we confirm it?

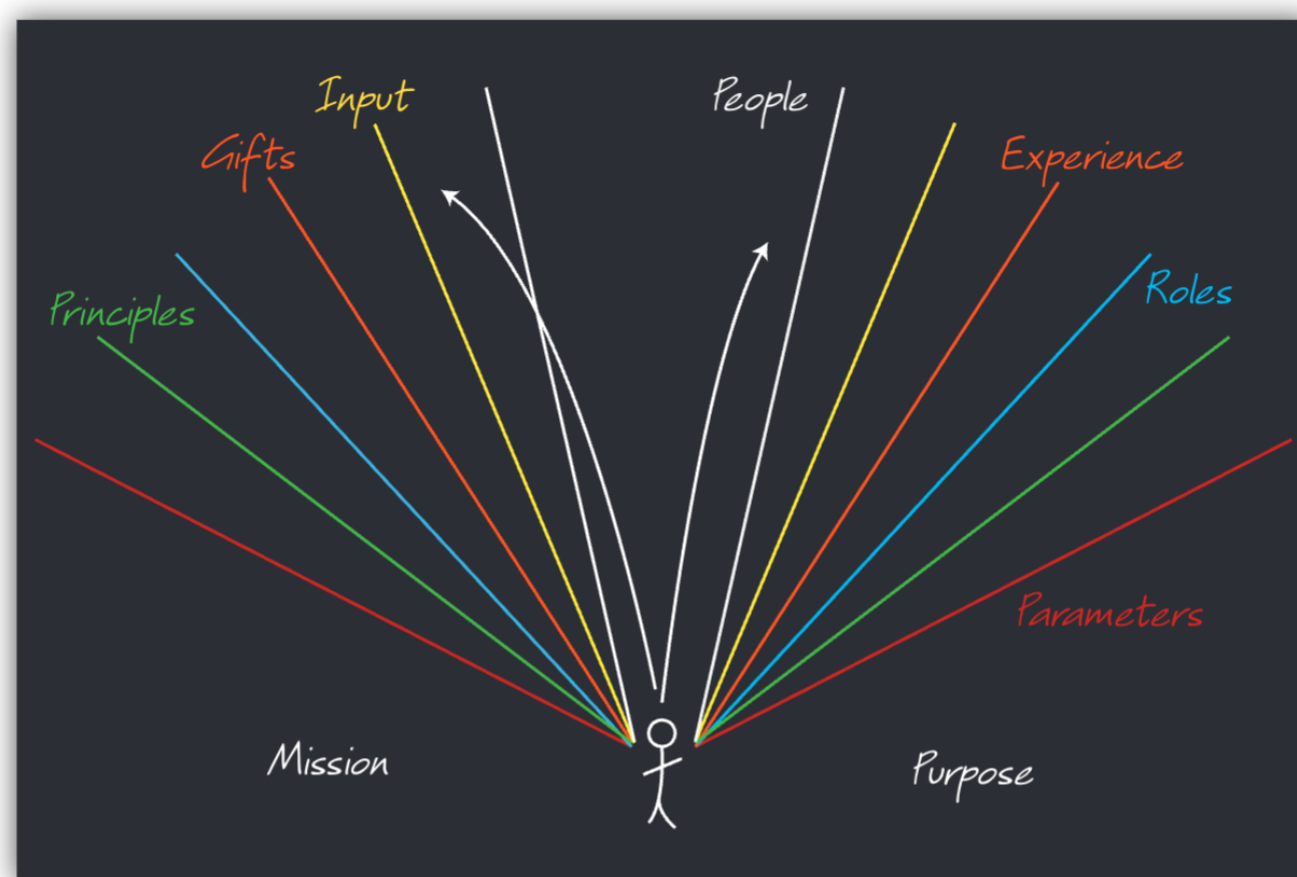

Who are your people that you are responsible for?

Which people does God want you to impact?

When you look at the chart and you see the different areas what are strengths you've identified or experience? Where you do have more exploration and growth to go?
