Get To Know You (Optional):

What is your favorite and least favorite Thanksgiving side dish?

1. Take a moment and share scripture that you read this week and what application you pulled from it.
2. What are some examples of "godless and empty chatter" that we should avoid, as mentioned in 2 Timothy 2:16-18? How can we guard against such conversations in our communities?
3. How can you encourage and be accountable to fellow believers in your pursuit of understanding and applying the Word of God?
4. The goal for our community is to balance study of the Word with the practical application of the Word. People tend to want to spend all their time in the study of the Word or all their time in discussing life application. Do you prefer one more than the other? How can we balance the two?
