Getting to Know You

1. How many of your high school friends do you still keep in touch with?

Going Deeper

1. What are some of the challenges to both giving and receiving exhortation? (share scriptures and your own thoughts) How have you learned to engage in this practice with people you are close to?
2. What are the potential cost if we do not encourage growth and change, referred to as "necessary endings?" (Titus 3:9-11; Proverbs 1:20-33)
3. Vulnerability was one of the keys to healthy relationships. Look at 1 Timothy 5:17-6:2 and discuss how Paul seeks to ensure a safe environment for vulnerability to happen. (other scriptures Proverbs 11:13; 16:28; Colossians 3:12-17)
