Getting to Know You

1. How close were you to grandparents and extended family growing up?
2. How did your family look at money?

Going Deeper

1. Our world today has many advantages that were not available to those in Paul's day. Using the principles of 1 Timothy 5:3-16 how might this look in the church today?
2. Read Acts 6:1-7. What do we learn from this passage concerning care for those in need within the church? What is the true role of a deacon?
3. Have you prepared a will? Where are you in your planning for the future? (care for yourself, spouse, young children etc.) Discuss this as a group and share wisdom that you have gained in each of these areas.
