Getting to Know You

1. Share a time in your life where you needed to persevere because there were other people who were relying on you.

Going Deeper

1. How does this chapter, 2 Timothy 2, describe the life of a disciple who takes their faith seriously? What makes it worthwhile?
2. Meditate on the three examples, soldier, athlete and farmer, Paul uses for Timothy to consider. What additional lessons do you see in these for the Christian life? What other scriptures teach a similar view?
3. Timothy's instructions on how to respond to opposition and those who wrong him are very different from the worlds or our fleshes natural response. (2 Timothy 2:22-26) From this what are we to avoid? What is the main purpose Paul is giving for these instructions? (Look at Galatians 6:1-5 & 2 Corinthians 7:8-12 as well)
